NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
SEPTEMBER 30, 2011

NOTE A – THE COMPANY

TherapeuticsMD, Inc. f/k/a AMHN, Inc. (the "Company") was incorporated in Utah in 1907 under the name Croff Mining Company ("Croff"). The Company changed its name to Croff Oil Company in 1952 and in 1996 changed its name to Croff Enterprises, Inc. On September 25, 2009, the Company changed its name to AMHN, Inc. and on September 25, 2009 approved a redomicile of the Company from Utah to Nevada. In February 2011, the Company relocated its corporate offices to 10611 N. Hayden Rd., Suite D106, Scottsdale, Arizona 85260. As of October 4, 2011, in connection with the closing of the Agreement and Plan of Merger ("Merger Agreement") with vitaMedMD, LLC, a Delaware limited liability company ("VitaMed"), as more fully described below in NOTE H – SUBSEQUENT EVENTS, the Company changed its name to TherapeuticsMD, Inc. and moved its corporate offices to that of its newly acquired subsidiary, VitaMed, at 951 Broken Sound Parkway NW, Suite 320, Boca Raton, FL 33487.

Business Overview

On June 1, 2010, the Company entered into an Agreement and Plan of Reorganization (the "Spectrum Acquisition Agreement") with Spectrum Acquisition Corp., a newly formed Delaware corporation and wholly owned subsidiary of the Company ("Merger Sub"), Spectrum Health Network, Inc., a Delaware corporation ("Spectrum") and the sole shareholder of Spectrum (the "Sole Shareholder"). The terms of the Spectrum Acquisition Agreement provided for (i) the transfer of 100% of the issued and outstanding shares of common stock of Spectrum to the Company in exchange for the issuance to the Sole Shareholder of Spectrum of an aggregate of 500,000 shares of common stock of the Company (the "Company Common Stock") at a conversion ratio where one share of Spectrum was converted into 500 shares of Company Common Stock; (ii) the Company's assumption of all the assets and liabilities of Spectrum; (iii) the officers and directors of Spectrum to retain their respective positions in the Merger Sub; and (iv) Spectrum to become a wholly owned subsidiary of the Company. On June 11, 2010, the Closing Date of the Transaction pursuant to the terms and conditions of the Acquisition Agreement, the Company acquired 100% of the issued and outstanding shares of Spectrum in exchange for the issuance of an aggregate of 500,000 shares of Company Common Stock. In accordance with the provisions of this triangulated merger, Merger Sub was merged with and into Spectrum as of the Effective Date of the Acquisition Agreement, the separate existence of Merger Sub ceased, and Spectrum became a wholly owned subsidiary of the Company. In conjunction with the Acquisition Agreement, the Company assumed the assets and liabilities of Spectrum totaling approximately \$247,000 and \$480,000, respectively. The excess of the purchase price over the net liabilities assumed was recorded as goodwill on the consolidated balance sheet.

Spectrum sells services for its digital signage waiting room network to independent physician associations ("IPAs") and is supported by ad revenue. Spectrum's markets its network to IPAs for a one-time fee per location for equipment and installation plus an ongoing monthly service fee per location for content delivery and network maintenance.

On February 15, 2011, after the Company defaulted under the payment terms of a Secured Promissory Note issued to Seatac on December 16, 2010 (the "Spectrum Note"), the Company and Seatac agreed that the Spectrum Note be satisfied through the transfer of the collateral for the Spectrum Note. In connection therewith, the shares of Spectrum owned by the Company were transferred to Seatac and the Spectrum Note was satisfied in full. See NOTE E – PROMISSORY NOTES, Secured Promissory Note to Seatac and NOTE G – DISCONTINUED OPERATIONS.

NOTE A – THE COMPANY (Continued)

Business Overview (continued)

In conjunction with the settlement of the Spectrum Note to Seatac, and immediately after the transfer of the outstanding shares of Spectrum to Seatac, the Company's sole officer and director, Robert Cambridge, resigned. Upon his resignation, the majority shareholder owning 53.7% of the Company's 16,575,209 outstanding shares, elected Jeffrey D. Howes as the Company's sole officer and director to serve until the next annual meeting of shareholders or until his earlier termination or resignation.

Also in conjunction with the settlement of the Spectrum Note to Seatac, Spectrum and Seatac entered into an Exclusive Licensing, Distribution and Advertising Sales Agreement with the Company (the "Spectrum Agreement"). Under the terms of the three-year renewable Spectrum Agreement, the Company was granted a license to promote, distribute and sell certain products developed and sold by Spectrum relative to its digital media network in the southeastern United States. The Spectrum Agreement relates to all current and future Spectrum products and/or services developed by Spectrum, specifically services pertaining to the digital signage waiting room network built for the multispecialty group practice and IPAs including (i) network subscriptions sold to multispecialty group practices and IPAs for software, hardware and content developed for and distributed by Spectrum, and (ii) advertising spots on Spectrum's network. The Company may earn up to thirty percent (30%) of fees paid for subscriptions and advertising spots.

On May 7, 2011, the Company entered into a Sales Representation Agreement with Mann Equity, LLC ("Mann") wherein Mann purchased from the Company the right to sell the Company's products as an independent distributor for the State of Florida for \$5,000. Pursuant to the terms of the one-year agreement, Mann can earn a commission of twenty percent (20%) for each contract sold for network subscriptions or advertising spots on the Spectrum network.

On October 4, 2011, the Company entered into an Agreement and Plan of Merger (the "Merger Agreement") with VitaMedMD, LLC, a Delaware limited liability company ("VitaMed") and VitaMed Acquisition, LLC, a Delaware limited liability company and wholly owned subsidiary of the Company ("Merger Sub"), pursuant to which the Company acquired 100% of VitaMed and as a result VitaMed became a wholly-owned subsidiary of the Company. The acquisition was accomplished through the merger of the Merger Sub with and into VitaMed with VitaMed being the surviving limited liability company (the "Merger"). The Merger became effective on October 4, 2011 upon the filing of a Certificate of Merger with the Delaware Secretary of State (the "Effective Time"). (See NOTE H – SUBSEQUENT EVENTS for further details).

Effective October 4, 2011, the Company's primary business is that of its newly acquired subsidiary, VitaMed, a specialty pharmaceutical company that has developed a patent-pending technology and business methodology to market both over-the-counter ("OTC") and prescription versions of nutritional supplements, drugs, medical foods and other medical products directly to consumers or through retail pharmacies. VitaMed's business model creates unique value propositions for patients, physician/providers and insurance payors by eliminating much of the inefficiencies associated with the traditional sales, marketing and distribution models. VitaMed offers superior-quality products for a lower overall cost to patients and payors while increasing efficiencies for physicians.

Business Overview (continued)

VitaMed's technology allows it to collect and analyze data from various sources to improve patient compliance and education, facilitate product development and provide immediate feedback on effectiveness of therapies. The result is increased efficiency and communication between the patient, physician/provider and insurance payor, ultimately creating improved outcomes for all. This combination of efficient distribution and technology provides measurable customer benefits differentiating VitaMed from existing competitors in the market.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Interim reporting

While the information presented in the accompanying interim condensed consolidated financial statements is unaudited, it includes all adjustments, which are, in the opinion of management, necessary to present fairly the financial position, results of operations and cash flows for the interim periods presented in accordance with accounting principles generally accepted in the United States of America. These interim financial statements follow the same accounting policies and methods of application as used in the December 31, 2010 audited financial statements of the Company. All adjustments are of a normal, recurring nature. Interim financial statements and the notes thereto do not contain all of the disclosures normally found in year-end audited financial statements and these Notes to Condensed Consolidated Financial Statements are abbreviated and contain only certain disclosures related to the nine month period ended September 30, 2011. It is suggested that these interim financial statements be read in conjunction with the Company's audited financial statements for the year ended December 31, 2010. Operating results for the three and nine months ended September 30, 2011 are not necessarily indicative of the results that can be expected for the year ending December 31, 2011.

Reclassifications

Certain 2010 amounts have been reclassified to conform to current year presentation.

Recently Issued Accounting Standards

In May 2011, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") ASU No. 2011-04, "*Fair Value Measurement (Topic 820) Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and IFRSs.*" ASU No. 2011-04 is intended to improve the comparability of fair value measurements presented and disclosed in financial statements prepared in accordance with U.S. GAAP and IFRSs, by ensuring that fair value has the same meaning in U.S. GAAP and IFRSs and that their respective disclosure requirements are the same except for inconsequential differences in wording and style. The amendments in ASU No. 2011-04 apply to all reporting entities that are required or permitted to measure or disclose the fair value of an asset, a liability, or an instrument classified in a reporting entity's shareholders' equity in the financial statements. Some of the disclosures required by ASU No. 2011-04 are not required for nonpublic entities. These amendments change the wording used to describe many of the requirements in U.S. GAAP for measuring fair value

and for disclosing information about fair value measurements. For many of the requirements, the Board does not intend for the amendments to result in a change in the application of the requirements in Accounting Standards Codification ("ACS") Topic 820. Some of the amendments clarify the Board's intent about the application of existing fair value measurement requirements. Other amendments change a particular principle or requirement for measuring fair value or for disclosing information about fair value measurements. The adoption of ASU No. 2011-04 did not have a material impact on the Company's results of operations or financial condition.

In December 2010, the FASB issued ASU No. 2010-29, "*Business Combinations (ASC Topic 805): Disclosure of Supplementary Pro Forma Information for Business Combinations.*" The amendments in this ASU affect any public entity as defined by ASC Topic 805 that enters into business combinations that are material on an individual or aggregate basis. The amendments in this ASU specify that if a public entity presents comparative financial statements, the entity should disclose revenue and earnings of the combined entity as though the business combination(s) that occurred during the current year had occurred as of the beginning of the comparable prior annual reporting period only. The amendments also expand the supplemental pro forma disclosures to include a description of the nature and amount of material, nonrecurring pro forma adjustments directly attributable to the business combination included in the reported pro forma revenue and earnings. The amendments are effective prospectively for business combinations for which the acquisition date is on or after the beginning of the first annual reporting period beginning on or after December 15, 2010. The adoption of ASU 2010-29 was incorporated in the Company's 2011 financial statements.

In December 2010, the FASB issued ASU 2010-28, "*Intangibles — Goodwill and Other (ASC Topic 350): When to Perform Step 2 of the Goodwill Impairment Test for Reporting Units with Zero or Negative Carrying Amounts.*" The amendments in this ASU modify Step 1 of the goodwill impairment test for reporting units with zero or negative carrying amounts. For those reporting units, an entity is required to perform Step 2 of the goodwill impairment test if it is more likely than not that a goodwill impairment exists. In determining whether it is more likely than not that a goodwill impairment exists, an entity should consider whether there are any adverse qualitative factors indicating that an impairment may exist. The qualitative factors are consistent with the existing guidance and examples, which require that goodwill of a reporting unit be tested for impairment between annual tests if an event occurs or circumstances change that would more likely than not reduce the fair value of a reporting unit below its carrying amount. For public entities, the amendments in this ASU are effective for fiscal years, and interim periods within those years, beginning after December 15, 2010. The adoption of ASU 2010-28 did not have a material impact on the Company's results of operations or financial condition.

In April 2010, the FASB issued ASU 2010-17, "*Revenue Recognition — Milestone Method*" ("ASU 2010-17"). ASU 2010-17 provides guidance on the criteria that should be met for determining whether the milestone method of revenue recognition is appropriate. A vendor can recognize consideration that is contingent upon achievement of a milestone in its entirety as revenue in the period in which the milestone is achieved only if the milestone meets all criteria to be considered substantive. The following criteria must be met for a milestone to be considered substantive. The consideration earned by achieving the milestone should (i) be commensurate with either the level of effort required to achieve the milestone or

the enhancement of the value of the item delivered as a result of a specific outcome resulting from the vendor's performance to achieve the milestone; (ii) be related solely to past performance; and (iii) be reasonable relative to all deliverables and payment terms in the arrangement. No bifurcation of an individual milestone is allowed and there can be more than one milestone in an arrangement. Accordingly, an arrangement may contain both substantive and non-substantive milestones. ASU 2010-17 is effective on a prospective basis for milestones achieved in fiscal years, and interim periods within those years, beginning on or after June 15, 2010. The adoption of ASU 2010-17 did not have a material effect on the Company's results of operations or financial condition.

In January, 2010, the FASB issued ASU 2010-06, *Fair Value Measurements and Disclosures: Improving Disclosures about Fair Value Measurements*, which amends ASC 820, *Fair Value Measurements and Disclosures* ("ASU 2010-06") to add new requirements for disclosures about transfers into and out of Levels 1 and 2 and separate disclosures about purchases, sales, issuances, and settlements relating to Level 3 measurements. ASU 2010-06 also clarifies existing fair value disclosures about the level of disaggregation and about inputs and valuation techniques used to measure fair value. The Company adopted the provisions of ASU 2010-06 as required on January 1, 2010.

In October 2009, the FASB issued ASU 2009-13, *Multiple-Deliverable Revenue Arrangements*, (amendments to FASB ASC Topic 605, *Revenue Recognition*) ("ASU 2009-13"). ASU 2009-13 requires entities to allocate revenue in an arrangement using estimated selling prices of the delivered goods and services based on a selling price hierarchy. The amendments eliminate the residual method of revenue allocation and require revenue to be allocated using the relative selling price method. ASU 2009-13 should be applied on a prospective basis for revenue arrangements entered into or materially modified in fiscal years beginning on or after June 15, 2010, with early adoption permitted. The adoption of ASU 2009-13 did not have a material impact on the Company's results of operations or financial condition.

Management does not believe that any other recently issued, but not yet effective, accounting standards if currently adopted would have a material effect on the accompanying financial statements.

NOTE C – GOING CONCERN

The financial statements of the Company have been prepared in conformity with generally accepted accounting principles in the United States of America, and assume that the Company will continue as a going concern. As discussed in NOTE H – SUBSEQUENT EVENTS, the Company closed the Merger Agreement with VitaMed on October 4, 2011 and the operation of VitaMed became the Company's primary focus. VitaMed began its business in 2008 and has not yet attained a level of revenue to allow it to meet its current overhead. The Company's management does not contemplate attaining profitable operations until late 2013, nor is there any assurance that such an operating level can ever be achieved. The Company will be dependent upon obtaining additional financing in order to adequately fund working capital, infrastructure, manufacturing expenses and significant marketing/investor related expenditures to gain market recognition, so that it can achieve a level of revenue adequate to support its cost structure, none of which can be assured.

NOTE C – GOING CONCERN (Continued)

Management believes that the Company will need approximately \$5 million over the next twelve months. While initial operations have been funded with private placements of equity and bridge loans, there can be no assurance that adequate financing will continue to be available, and, if available, be on terms that are favorable. These conditions, in addition to the Company's accumulated deficit and recurring losses, gives rise to substantial doubt about the Company's ability to continue as a going concern. The financial statements do not include adjustments relating to the recoverability and realization of assets and classification of liabilities that might be necessary should the Company be unable to continue in operation.

NOTE D – STOCKHOLDERS' EQUITY

On July 18, 2011, the Company's shareholders approved an amendment to the LTIP to increase the number of shares authorized for issuance thereunder to 25,000,000. As of September 30, 2011, no options had been issued under the LTIP. As more fully described in NOTE H – SUBSEQUENT EVENTS, upon the closing of the Merger Agreement on October 4, 2011, the Company exchanged and converted VitaMed's previously issued non-qualified stock options for non-qualified stock options of the Company ("Options") for the purchase of an aggregate of 10,119,795 shares of the Company's Common Stock. NOTE E – PROMISSORY NOTES

Secured Promissory Note to Seatac

As previously reported, the Company acquired 100% of the issued and outstanding shares of Spectrum on June 11, 2010 in exchange for the issuance of an aggregate of 500,000 shares of the Company's Common Stock and Spectrum became a wholly owned subsidiary of the Company. From the closing date of the Spectrum transaction through November 2010, Seatac had advanced approximately \$487,532 to the Company specifically to address payables (the "Advances"). In order for Seatac to secure a first position for repayment of the Advances, the Company issued the Spectrum Note. The Spectrum Note, together with accrued interest at the annual rate of four percent (4%), was due in one lump sum payment on demand (the "Maturity Date"). As security for the Company's obligations under the Spectrum Note, the Company pledged all of the capital stock of Spectrum pursuant to the terms of a Stock Pledge and Escrow Agreement dated December 16, 2010. Repayment of the Spectrum Note was guaranteed by Spectrum and secured by a blanket lien encumbering the assets of Spectrum. On December 31, 2010, the Company amended the Spectrum Note to increase the principal amount to \$543,531 to include additional advances made by Seatac from September through November 2010 in the aggregate of \$56,000, which amount was inadvertently not included in the initial principal amount disclosed. The foregoing description of the Spectrum Note, the Stock Pledge and Escrow Agreement, and related agreements is qualified, in entirety, by reference to each agreement, copies of which are attached as exhibits to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission (the "Commission") on December 22, 2010, which filing and exhibits are incorporated herein by reference. In February 2011, Seatac notified the Company that it intended to make demand for payment under the Spectrum Note; however, the Company was unable to pay the balance. On February 15, 2011, the Spectrum Note was satisfied pursuant to the terms more fully described in NOTE G – DISCONTINUED OPERATIONS.

Convertible Promissory Notes

During 2009, a non-affiliate business consultant ("Consultant") provided consulting services to the Company in the amount of \$210,000 (the "Debt"). The Company issued the Consultant a demand promissory note for \$210,000 dated November 9, 2010 (the "November 2010 Note") which was subsequently assigned to unaffiliated entities ("Noteholders"). On April 18, 2011, the Company and the Noteholders agreed that in exchange for the forbearance of the Noteholders not to make demand for repayment of the November 2010 Note for a minimum of sixty (60) days, the Company would (i) cancel the November 2010 Note and (ii) issue two convertible promissory notes to the Noteholders in the principal amount of \$105,000 each bearing interest at the rate of six percent (6%) per annum (the "Convertible Notes"). At September 30, 2011, the Company recorded accrued interest in the amount of \$5,696. The Convertible Notes were due on demand any time after sixty (60) days from the date of issuance (the "Maturity Date"). At the option of the Noteholders, the Convertible Notes could be converted into shares of the Company's Common Stock at any time after the Maturity Date at a fixed conversion price of \$0.0105 per share. The Convertible Notes also contained anti-dilution provisions. The Convertible Notes remained unpaid at September 30, 2011. As more fully described in NOTE H – SUBSEQUENT EVENTS, on October 18, 2011, the Company and the Noteholders entered into Debt Conversion Agreements and converted the principal of the Convertible Notes into shares of the Company's Common Stock and accrued interest of approximately \$6,300 was forgiven and will be reported as other income in the fourth quarter of 2011.

NOTE G – DISCONTINUED OPERATIONS

America's Minority Health Network, Inc.

On July 1, 2010, pursuant to the terms of the 4% Secured Promissory Note ("April 2010 Note"), Seatac made demand for the aggregated amount of \$925,885, including principal of \$900,000 and interest through June 30, 2010. On July 11, 2010, Seatac added a one-time late charge equivalent to six percent (6%) of the unpaid amount, or \$55,553, bringing the amount payable and past due under the April 2010 Note to \$981,438. The Company's obligation to repay the April 2010 Note was (i) secured by a pledge by the Company of all of the capital stock of the Company's subsidiaries owned as of or acquired after the date of the April 2010 Note, pursuant to the terms of a Stock Pledge and Escrow Agreement dated April 1, 2010; (ii) guaranteed by the Company's subsidiary, America's Minority Health Network pursuant to a Guaranty Agreement dated April 1, 2010; and (iii) secured by a blanket lien encumbering the assets of the Company and the Company's subsidiaries pursuant to Security Agreements dated April 1, 2010. Payment of principal, interest and late charges under the April 2010 Note became past due, and as a result of the default, on July 30, 2010, Seatac informed the Company that it intended to exercise its remedies pursuant to which it could accept collateral in satisfaction of the Company's obligations. More particularly, Seatac stated that it intended to accept the following collateral in full satisfaction of the \$981,438 due under the April 2010 Note: (i) all rights, title and interest of the Company in the 1,000 shares of common stock of America's Minority Health Network, (ii) all rights, title and interest of the Company in the mark "America's Minority Health Network, Inc." and the goodwill associated with such mark, and (iii) all books and records of America's Minority Health Network held by the Company (collectively, the "Collateral").

Given the Company's unsuccessful attempts to obtain additional financing or agree to alternative arrangements with Seatac, it agreed and consented to Seatac's exercise of its remedies under the April 2010 Note and the foreclosure upon the Collateral. As part of the agreement and consent, the Company and its subsidiaries acknowledged that the Company and its subsidiaries were in default in payment of principal, interest, and late fees under the April 2010 Note and related loan documents in the aggregate of \$981,438, and that the debt was secured by a first priority security interest in all of the assets of the Company and its subsidiaries. Accordingly, on July 30, 2010, the Company and Seatac sent joint instruction to the escrow agent, pursuant to which the escrow agent was instructed to transfer the stock certificate representing all of the outstanding shares of America's Minority Health Network being held in escrow to Seatac. The Company also entered into a trademark assignment with Seatac whereby the Company transferred all rights, title and interest in the mark "America's Minority Health Network, Inc." and the goodwill associated with such mark. The Company's settlement with Seatac did not include the surrender of Spectrum or the satisfaction of a trade payable to Seatac in the amount of \$480,465.

As a result of this transaction, the Company's financial statements have been prepared with the results of operations and cash flows of this disposed property shown as discontinued operations. All historical statements have been restated in accordance with GAAP.

Overview

The Company was incorporated in Utah in 1907 under the name Croff Mining Company ("Croff"). The Company changed its name to Croff Oil Company in 1952 and in 1996 changed its name to Croff Enterprises, Inc. In the twenty (20) years prior to 2008, the Company's operations consisted entirely of oil and natural gas production. Due to a spin-off of its operations in December 2007, the Company had no

business operations or revenue source and had reduced its operations to a minimal level, although it continued to file reports required under the Securities Exchange Act of 1934. As a result of the spin-off, the Company was a "shell company" under the rules of the Commission. After completion of subsequent transactions as described below, the Company changed its name to AMHN, Inc. on September 14, 2009 and on September 25, 2009 approved a redomicile of the Company from Utah to Nevada. As of October 4, 2011, in connection with the closing of the Agreement and Plan of Merger ("Merger Agreement") with vitaMedMD, LLC, a Delaware limited liability company ("VitaMed"), as more fully described below in Recent Events, the Company changed its name to TherapeuticsMD, Inc. and moved its corporate offices to that of its newly acquired subsidiary, VitaMed, at 951 Broken Sound Parkway NW, Suite 320, Boca Raton, FL 33487.

After closing the Merger Agreement on October 4, 2011, the Company's primary business became that of its newly acquired subsidiary, VitaMed. VitaMed is a specialty pharmaceutical company that has developed a patent-pending technology and business methodology to market both over-the-counter ("OTC") and prescription versions of nutritional supplements, drugs, medical foods and other medical products directly to consumers or through retail pharmacies. VitaMed's business model creates unique value propositions for patients, physician/providers and insurance payors by eliminating much of the inefficiencies associated with the traditional sales, marketing and distribution models. VitaMed offers superior-quality products for a lower overall cost to patients and payors while increasing efficiencies for physicians. VitaMed's technology allows it to collect and analyze data from various sources to improve patient compliance and education, facilitate product development and provide immediate feedback on effectiveness of therapies. The result is increased efficiency and communication between the patient, physician/provider and insurance payor, ultimately creating improved outcomes for all. This combination of efficient distribution and technology provides measurable customer benefits differentiates VitaMed from existing competitors in the market.

Agreement and Plan of Reorganization with America's Minority Health Network, Inc.

On July 6, 2009, the Company entered into an Agreement and Plan of Reorganization (the "July 2009 Acquisition Agreement") with AMHN Acquisition Corp., a newly formed Delaware corporation and wholly owned subsidiary of the Company ("Merger Sub"), America's Minority Health Network, Inc., a Delaware corporation ("America's Minority Health Network") and the major shareholders of the America's Minority Health Network (the "Major Shareholders"). The terms of the July 2009 Acquisition Agreement, which closed on July 27, 2009, provided for (i) the transfer of 100% of the issued and outstanding shares of common stock of America's Minority Health Network in exchange for the issuance to the shareholders of American's Minority Health Network of an aggregate of 13,693,689 shares of common stock of the Company (the "Company Common Stock"); (ii) the resignations of the Company's officers and directors prior to the consummation of the Agreement and the election and appointment of officers and directors as directed by America's Minority Health Network; and (iii) America's Minority Health Network to become a wholly owned subsidiary of the Company. A full description of the terms of the July 2009 Acquisition Agreement (the "Transaction") is set forth the Company's Current Report on Form 8-K filed with the Commission on July 10, 2009. In accordance with the provisions of this triangulated merger, Merger Sub merged with and into America's Minority Health Network as of the Effective Date, as that term is defined therein. Upon consummation of the July 2009 Acquisition Agreement and all transactions contemplated therein, the separate existence of Merger Sub ceased, the Company became the surviving parent corporation, and America's Minority Health Network became its wholly owned subsidiary. As a result of the Transaction, (i) the Company ceased being a shell company, (ii) its sole business became that of America's Minority Health Network, and (iii) the Company experienced a change in control in which the former shareholders of America's Minority Health Network acquired control of the Company. For accounting purposes, the Transaction was treated as a reverse merger.

Secured Note to Seatac Digital Resources, Inc., Subsequent Default under Note, and Transfer of America's Minority Health Network, Inc.

On April 1, 2010, the Company issued a 4% Secured Promissory Note (the "Note") in the principal base amount of \$800,000 (the "Principal Base Amount") to Seatac Digital Resources, Inc. ("Seatac") pursuant to the terms of that certain Note Purchase Agreement (the "Note Purchase Agreement") of even date therewith. As consideration for the Note, Seatac surrendered certain promissory notes totaling \$800,000 previously issued by the Company to Seatac between June 1, 2009 and March 31, 2010 and (collectively known as the "Prior Notes"). The Principal Base Amount of the Note, plus any and all additional advances made to the Company thereafter (the "Aggregated Principal Amount"), together with accrued interest at the annual rate of four percent (4%), was due in one lump sum payment on June 30, 2010 (the "Maturity Date"). The Note provided that the Note would automatically renew on the Maturity Date for additional ninety (90) day periods (the "Extended Maturity Date") unless ten (10) days prior to the Extended Maturity Date the Holder provided written notice to the Company of its intent not to renew. If the Company committed any Event of Default (as defined in the Note Purchase Agreement), then the unpaid principal amount of, and accrued interest on the Note could be accelerated by Seatac and become due and payable, whereupon the interest rate would be increased to a rate of ten percent (10%) per annum, subject to the limitations of applicable law.

As security for the Company's obligations under the Note Purchase Agreement and the Note, the Company pledged all of the capital stock of America's Minority Health Network pursuant to the terms of a Stock Pledge and Escrow Agreement. Repayment of the Note was also guaranteed by America's Minority Health Network and was additionally secured by a blanket lien encumbering the assets of the Company and America's Minority Health Network. On July 1, 2010, Seatac made demand for the aggregated amount of \$925,885, including principal of \$900,000 and interest through June 30, 2010. On July 11, 2010, Seatac added a one-time late charge equivalent to six percent (6%) of the unpaid amount, or \$55,553, bringing the amount payable and past due under the April 2010 Note to \$981,438. Thereafter, payment of principal, interest and late charges under the April 2010 Note became past due, and as a result of the default, Seatac informed the Company that it intended to exercise its remedies and would accept the following collateral in full satisfaction of the \$981,438 due under the April 2010 Note: (i) all rights, title and interest of the Company in the 1,000 shares of common stock of America's Minority Health Network, (ii) all rights, title and interest of the Company in the mark "America's Minority Health Network, Inc." and the goodwill associated with such mark, and (iii) all books and records of America's Minority Health Network held by the Company (collectively, the "Collateral").

The Company was unsuccessful in its attempts to obtain additional financing or reach an alternative arrangement with Seatac. As a result, we agreed and consented to Seatac's exercise of its remedies under the April 2010 Note and the foreclosure upon the Collateral. As part of the agreement and consent, the Company and America's Minority Health Network acknowledged that each were in default in payment of principal, interest, and late fees under the April 2010 Note and related loan documents in the aggregate of \$981,438 and that the debt was secured by a first priority security interest in all of the assets of the Company and all of its subsidiaries. Accordingly, on July 30, 2010, the Company and Seatac sent joint instructions to the escrow agent, pursuant to which the escrow agent was instructed to transfer the stock certificate representing all of the outstanding shares of America's Minority Health Network being held in escrow to Seatac. The Company also entered into a trademark assignment with Seatac whereby the Company transferred all rights, title and interest in the mark "America's Minority Health Network, Inc." and the goodwill associated with such mark. The Company's settlement with Seatac included the surrender of America's Minority Health Network; however, did not include the satisfaction of a trade payable to Seatac in the amount of \$455,061.

In conjunction with the settlement, Robert Cambridge and Charles Richardson resigned their positions as officers and directors of America's Minority Health Network.

Corporate Changes Including Name Changes, Redomicile, Change in Par Value, Increase in Authorized Shares of Common Stock, and Amendments to Long Term Incentive Compensation Plan

On September 14, 2009, the Company changed its name to AMHN, Inc. On September 23, 2009, the Company's Board of Directors approved the redomicile of the Company from Utah to Nevada and approved the 2009 Long Term Incentive Compensation Plan ("LTIP"). On March 28, 2010, the Company's Board of Directors approved a single revision to the LTIP to increase the number of shares available for issuance to an aggregate of 1,500,000 shares. The Company subsequently approved a change in the par value of the Company's Common and Preferred Stock to \$0.001 per share. On July 20, 2010, the Company's shareholders owning an aggregate of 8,900,898 shares (or 55%) of the Company's outstanding shares approved the actions. As mentioned herein at *RECENT EVENTS*, as of October 3, 2011, the Company effected a name change to TherapeuticsMD, Inc., increased its authorized shares of Common Stock to 250,000,000 and amended the LTIP to increase the number of shares available for issuance thereunder to 25,000,000.

Agreement and Plan of Reorganization with Spectrum Health Network, Inc.

On June 1, 2010, the Company entered into an Agreement and Plan of Reorganization (the "Spectrum Acquisition Agreement") with Spectrum Acquisition Corp., a newly formed Delaware corporation and wholly owned subsidiary of the Company ("Merger Sub"), Spectrum Health Network, Inc., a Delaware corporation ("Spectrum") and the sole shareholder of Spectrum (the "Sole Shareholder"). Spectrum is a digital signage waiting room network built for the multispecialty group practice and independent physician associations ("IPAs"). The terms of the Spectrum Acquisition Agreement provided for (i) the transfer of 100% of the issued and outstanding shares of common stock of Spectrum to the Company in exchange for the issuance to the Sole Shareholder of Spectrum of an aggregate of 500,000 shares of common stock of the Company (the "Company Common Stock") at a conversion ratio where one share of Spectrum was converted into 500 shares of Company Common Stock; (ii) the Company's assumption of all the assets and liabilities of Spectrum; (iii) the officers and directors of Spectrum to retain their respective positions in the Merger Sub; and (iv) Spectrum to become a wholly owned subsidiary of the Company. On June 11, 2010, the Closing Date of the Transaction pursuant to the terms and conditions of the Acquisition Agreement, the Company acquired 100% of the issued and outstanding shares of Spectrum in exchange for the issuance of an aggregate of 500,000 shares of Company Common Stock. In accordance with the provisions of this triangulated merger, Merger Sub was merged with and into Spectrum as of the Effective Date of the Acquisition Agreement, the separate existence of Merger Sub ceased, and Spectrum became a wholly owned subsidiary of the Company. In conjunction with the Acquisition Agreement, the Company assumed the assets and liabilities of Spectrum totaling approximately \$247,000 and \$480,000, respectively. The excess of the purchase price over the net liabilities assumed was recorded as goodwill on the consolidated balance sheet.

Secured Note to Seatac, Subsequent Default under Note, and Transfer of Spectrum Health Network, Inc.

Since the closing date of the Spectrum transaction through November 2010, Seatac had advanced approximately \$487,532 to the Company specifically to address payables (the "Advances"). In order for Seatac to secure a first position for repayment of the Advances, the Company issued the Spectrum Note. The Spectrum Note, together with accrued interest at the annual rate of four percent (4%), was due in one lump sum payment on demand (the "Maturity Date"). As security for the Company's obligations under the Spectrum Note, the Company pledged all of the capital stock of Spectrum pursuant to the terms of a Stock Pledge and Escrow Agreement dated December 16, 2010. Repayment of the Spectrum Note was guaranteed by Spectrum and secured by a blanket lien encumbering the assets of Spectrum. On December 31, 2010, the Company amended the Spectrum Note to increase the principal amount to \$543,531 to include additional advances made by Seatac from September through November 2010 in the aggregate of \$56,000, which amount was inadvertently not included in the initial principal amount disclosed. The foregoing description of the Spectrum Note, the Stock Pledge and Escrow Agreement, and related agreements is qualified, in entirety, by reference to each agreement, copies of which are attached as exhibits to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission (the "Commission") on December 22, 2010, which filing and exhibits are incorporated herein by reference.

Liquidity and Capital Resources

At September 30, 2011, the Company's cash balance was \$4,238. Outstanding liabilities as of September 30, 2011 totaled \$437,046 including \$164,809 in a note payable and accrued interest due to a related party. The Company's working capital deficit as of September 30, 2011 was \$429,709.

As discussed in Recent Events, the Company closed the Merger Agreement with VitaMed on October 4, 2011 and the operation of VitaMed became the Company's primary focus. VitaMed began its business in 2008 and has not yet attained a level of revenue to allow it to meet its current overhead. The Company's management does not contemplate attaining profitable operations until late 2013, nor is there any assurance that such an operating level can ever be achieved. The Company will be dependent upon obtaining additional financing in order to adequately fund working capital, infrastructure, manufacturing expenses and significant marketing/investor related expenditures to gain market recognition, so that it can achieve a level of revenue adequate to support its cost structure, none of which can be assured. Management believes that the Company will need approximately \$5 million over the next twelve months. While initial operations have been funded with private placements of equity and bridge loans, there can be no assurance that adequate financing will continue to be available, and, if available, be on terms that are favorable.

VITAMEDMD SOFTWARE LICENSE AGREEMENT

PLEASE READ THIS DOCUMENT CAREFULLY AS VITAMED IS WILLING TO LICENSE THIS SOFTWARE TO LICENSEE ONLY ON THE CONDITION THAT LICENSEE ACCEPT ALL OF THE TERMS CONTAINED IN THIS LICENSE AGREEMENT.

THIS SOFTWARE LICENSE AGREEMENT (the "Agreement") is entered this 3rd day of November, 2011 (the "Effective Date") by and between vitaMedMD, LLC, a Delaware limited liability company ("VitaMed"), a division of TherapeuticsMD, Inc., a Nevada corporation, with offices located at 951 Broken Sound Parkway NW, Suite 320, Boca Raton, FL 33487 ("VitaMedMD") and Pernix Therapeutics, LLC, a Louisiana limited liability company, with offices located at 10003 Woodloch Forest, Suite 950, The Woodlands, TX 77380 ("Licensee").

- 1. License Grant and Price.** Subject to the terms and conditions of this Agreement, VitaMed grants to Licensee a license to use the software program further identified on [Exhibit A](#) hereto (the "Software") in the territory and the medical field set forth on [Exhibit A for 5 years](#). No other rights are granted. The fees for the use of the Software are also set forth and detailed on [Exhibit A](#).
 - 2. Restrictions.** The Software contains copyrighted material, trade secrets, and other proprietary materials of VitaMed. Licensee agree that in order to protect those proprietary materials, except as expressly permitted by applicable law, neither Licensee nor a third party acting on Licensees behalf will: (a) decompile, disassemble or reverse engineer the Software; (b) modify or create derivative works of the Software; (c) use the Software in any manner to provide service bureau, commercial time-sharing or other computer services to third parties; (d) transmit the Software or provide its functionality, in whole or in part, over the Internet or other network (except as expressly permitted in [Exhibit A](#)); or (e) sell, distribute, rent, lease, sublicense or otherwise transfer the Software to a third party.
 - 3. Ownership.** The Software is licensed, not sold, to Licensee for use only under the terms and conditions of this Agreement, and VitaMed reserves all rights not expressly granted to Licensee in this Agreement. VitaMed and/or its licensors retain title to the Software, and all intellectual property rights therein.
 - 4. Termination.** This Agreement is effective until terminated. Upon any violation of any of the provisions of this Agreement, rights to use the Software shall automatically terminate and the Software must be returned to VitaMed or all copies of the Software destroyed. Licensee may also terminate this Agreement at any time by destroying all copies of the Software in Licensees possession or control. The provisions of paragraphs 2, 3, 4, 7, 8, 10, 11, 12 and 13 will survive any termination of this Agreement.
 - 5. Limited Product Warranty.** VitaMed warrants to Licensee that the Software will substantially conform to any documentation provided with this Agreement. VitaMed's limited warranty is nontransferable and is limited to the Licensee.
 - 6. Remedies.** VitaMed's entire liability and Licensees exclusive remedy for any breach of warranty shall be, at VitaMed's option, to: (a) repair or replace the Software, or (b) refund the price paid by Licensee for the Software. These remedies are void if failure of the Software has resulted from accident, abuse, or misapplication.
-

7. **DISCLAIMER OF WARRANTY.** THE WARRANTIES EXPRESSLY SET FORTH IN THIS AGREEMENT REPLACE ALL OTHER WARRANTIES. VITAMED EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT OF THIRD-PARTY RIGHTS WITH RESPECT TO THE SOFTWARE OR MEDIA, AND ANY WARRANTIES OF NON-INTERFERENCE OR ACCURACY OF INFORMATIONAL CONTENT. NO VITAMED DEALER, AGENT, OR EMPLOYEE IS AUTHORIZED TO MAKE ANY MODIFICATION, EXTENSION, OR ADDITION TO THIS WARRANTY. Some jurisdictions do not allow limitations on how long an implied warranty lasts, so some of the above limitations may not apply to Licensee.

8. **UNDER NO CIRCUMSTANCES SHALL A PARTY BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, STATUTORY, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES, OF ANY KIND WHATSOEVER, OR FOR ANY LOST PROFITS, BUSINESS OR REVENUE, LOSS OF USE OR GOODWILL, OR OTHER LOST ECONOMIC ADVANTAGE, ARISING OUT OF OR RELATED TO THE AGREEMENT OR THE BREACH HEREOF, WHETHER SUCH CLAIMS ARE BASED ON BREACH OF CONTRACT, STRICT LIABILITY, TORT, ANY FEDERAL OR STATE STATUTORY CLAIM, OR ANY OTHER LEGAL THEORY, EVEN IF A PARTY KNEW, SHOULD HAVE KNOWN, OR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE FOREGOING LIMITATION SHALL SURVIVE AND APPLY EVEN IF ANY LIMITED REMEDY SPECIFIED IN THE AGREEMENT IS DETERMINED TO HAVE FAILED OF ITS ESSENTIAL PURPOSE. IN NO CASE SHALL VITAMED'S TOTAL LIABILITY EXCEED THE ACTUAL MONEY PAID FOR THE SOFTWARE.** Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so some of the above limitations or exclusions may not apply.

9. **Export Law Assurances.** Licensee agrees and certifies that neither the Software nor any other technical data received from VitaMed will be exported outside the United States except as authorized and as permitted by the laws and regulations of the United States.

10. **Indemnification.** Except to the extent VitaMed has acted at Licensee's direction or in accordance with Licensee's specifications, VitaMed will indemnify, defend and hold harmless Licensee from all costs and expenses (including reasonable attorneys' fees and court costs) arising from actual or alleged: (a) Acts or omissions constituting gross negligence or willful misconduct, committed by VitaMed; (b) Failure by VitaMed to comply with applicable governmental laws and regulations. Licensee will indemnify, defend and hold harmless VitaMed from all costs and expenses (including reasonable attorneys' fees and court costs) arising from actual or alleged: (y) Act or omission constituting gross negligence or willful misconduct, committed by Licensee; (z) Failure by Licensee to comply with applicable governmental laws and regulations. If a claim covered under this Section 10 appears likely or is made, the party against whom the claim is made will promptly provide the other party with notice of such claim. An indemnifying party under this Section 10 shall have the right to control defense of a claim as to which it has agreed is covered under this Section 10, subject to participation rights of the indemnified party at such party's expense. An indemnifying party may settle any such claim subject to consent of the indemnified party, which consent shall not be unreasonably withheld or delayed.

11. **Equitable Relief.** The parties acknowledge that monetary damages will not be an adequate remedy if a party breaches its obligations with respect to proprietary rights or confidentiality under this Agreement, and such breach will result in irreparable harm. The parties therefore agree that, in the event of any such breach, the non-breaching party shall be entitled to appropriate mandatory or prohibitory injunctive relief against the breaching party, in addition to any other remedies at law, in equity or under the Agreement.
 12. **Force Majeure.** A party shall be relieved from an obligation (other than the obligation to make payments or an obligation relating to proprietary rights or confidentiality), while a cause, outside of its reasonable control, and that it cannot reasonably avoid, prevents the performance of such obligation.
 13. **General.**
 - (a) The parties are independent contractors with respect to all matters arising under the Agreement. Nothing in the Agreement shall be deemed to establish an agency partnership, joint venture, association or employment relationship between the parties.
 - (b) No waiver of any part of the Agreement shall be effective unless made in writing by the waiving party. No waiver of any breach of the Agreement shall constitute a waiver of any other breach of the same, or any other provision, of the Agreement.
 - (c) All provisions of this Agreement and any information exchanged by the parties that is identified as confidential or proprietary shall be considered confidential to the disclosing party and shall not be disclosed by the receiving party to any third party unless allowed by law or the disclosing party.
 - (d) The Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior oral and written understandings, arrangements and agreements between the parties relating to such subject matter. Headings are included in the Agreement for convenience only and shall not affect the meaning or construction of the Agreement's provisions.
 - (e) The Agreement shall inure to the benefit of, and be binding upon the parties, their successors and permitted assigns.
 - (f) If any provision of the Agreement is held to be unenforceable, all remaining provisions shall remain in full force and effect.
 - (g) Except as provided under the Agreement, party shall not directly or indirectly solicit or offer employment to, or directly or indirectly accept services, by an employee or contractor of the other party, during the term of the Agreement and for one (1) year thereafter, without the prior written consent of the other party. For purposes of the Agreement, use of general employment advertising and independent employment agencies, if not directed at one or more of the other party's employees, shall not constitute solicitation.
