This Information Statement was mailed on or about June 29, 2010 to all Shareholders entitled to vote at the Special Meeting on July 20, 2010. The Company's principal executive offices are located at 100 North First Street, Suite 104, Burbank, CA 91502 and the phone number is (424) 239-6781.

At the close of business on the Record Date, we had a total of 16,290,209 shares of Common Stock issued and outstanding and no Preferred Stock outstanding. On the Record Date, the Company's executive officers and certain shareholders of the Company owned an aggregate of 8,900,898 shares or approximately 55% of the issued and outstanding shares of the Company. **The Company does not intend to solicit any proxies or consents from any other Shareholders in connection with this action.**

The entire cost of furnishing this Information Statement will be borne by the Company. The Company will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of the Common Stock held of record by them and will reimburse such persons for their reasonable charges and expenses in connection therewith.

OUTSTANDING SHARES AND VOTING RIGHTS

The Company's Board of Directors has fixed the close of business on June 17, 2010 as the Record Date for the determination of those shareholders of the Company's Common Stock entitled to receive notice of and vote at the Special Meeting. Persons who were not Shareholders on the Record Date will not be allowed to vote at the Special Meeting. At the close of business on the Record Date, there were 16,290,209 shares of the Company's Common Stock outstanding.

Shareholders consenting to these corporate actions collectively own 8,900,898 shares of the Company's Common Stock which represents approximately 55% of the voting stock. As a result, no vote or proxy is required by the Company's other Shareholders to approve the Reincorporation or LTIP described herein.

EXPECTED DATE FOR EFFECTING THE REINCORPORATION AND LTIP

Under Section 14(c) of the Exchange Act and Rule 14c-2 promulgated thereunder, the Reincorporation and the LTIP cannot be effected until twenty (20) days after the date that the Definitive Information Statement is sent to the Company's Shareholders of Record. The Company expects that the Definitive Information Statement will be mailed on or about June 29, 2010 (the "Mailing Date") to the shareholders of the Company at the close of business on the Record Date. The Company expects to effect the Reincorporation with the Nevada Secretary of State and the adoption of the LTIP approximately twenty (20) days after the Mailing Date on or about July 20, 2010.

PROPOSAL TO CHANGE STATE OF INCORPORATION FROM UTAH TO NEVADA

The proposal to change the Company's state of incorporation from Utah to Nevada requires approval of a majority of our Shareholders. The Company was originally incorporated in the State of Utah in 1907 under the name Croff Mining Company in connection with the operation of its oil and gas business in that state. Those operations no longer exist and the Company does not conduct business in the state of Utah. The Board of Directors has recommended the Reincorporation to allow the Company to take advantage of certain provisions of the corporate laws of Nevada, as more fully described below.

INFORMATION RELATED TO SHAREHOLDERS AND HOW APPROVAL OF THE REINCORPORATION MAY AFFECT SHAREHOLDERS

Once the Company's state of incorporation is changed from Utah to Nevada, it will not be necessary for shareholders to exchange their existing stock certificates.

We are currently governed by Title 16 of the Utah Revised Business Corporation statutes ("URBC"), our current Articles of Incorporation and Bylaws. Upon approval of the Reincorporation, our Company will be governed by Title 7 of the Revised Nevada Statutes ("RNS") and our new Articles of Incorporation and Bylaws, which will result in certain changes in the rights of our Shareholders as discussed below. Copies of the Articles of Conversion, Articles of Incorporation and Bylaws pertaining to the Reincorporation in Nevada are attached hereto as *Exhibits A, B, and C* respectively.

The Reincorporation will allow us to take advantage of certain provisions of the RNS. The purposes and effects of the proposed transaction are summarized below. Because it is a summary, it does not include all of the information regarding the Reincorporation and is therefore qualified in its entirety by reference to the Articles of Conversion, Articles of Incorporation and Bylaws included herewith.

Treatment of Stock Options and Warrants

There are no options or warrants to purchase shares of the Company's Common Stock that are outstanding prior to the effective date of the Reincorporation.

Directors and Officers

The directors and officers of our Company will remain the same after the Reincorporation.

Exchange of Stock Certificates

On or after the effective date of the filing of our Articles of Conversion and Articles of Incorporation in Nevada, all of the outstanding certificates that represented shares of our Company's Common Stock, will be deemed for all purposes to evidence ownership and to represent the same number of shares of Common Stock as existed prior to the Reincorporation. The registered owner of any such outstanding stock certificate will, until such certificate will have been surrendered for transfer, have and will be entitled to exercise any voting and other rights with respect thereto, and to receive any dividend or other distributions to which they would be entitled as evidenced by such outstanding certificate. Our Company's Common stock will continue to be traded on the OTC Bulletin Board under the trading symbol "AMHN."

YOU ARE NOT REQUIRED TO EXCHANGE YOUR UTAH STOCK CERTIFICATE FOR NEVADA STOCK CERTIFICATES, ALTHOUGH YOU MAY DO SO IF YOU WISH.

Principal Reasons for Changing Our State of Incorporation

Our Company's Board of Directors believes that the Reincorporation of our Company under the laws of the State of Nevada will provide flexibility for both our management and business. For many years, Nevada has followed a policy of encouraging incorporation in Nevada and, in furtherance of that policy, has adopted comprehensive, modern and flexible corporate laws that are periodically updated and revised to meet changing business needs. As a result, many major corporations have initially chosen Nevada for their domicile or have subsequently reincorporated in Nevada in a manner similar to what we have proposed. Because of Nevada's significance as the state of incorporation for many major corporations, the Nevada judiciary has become particularly familiar with matters of corporate law, and a substantial body of court decisions has developed interpreting Nevada's corporation laws. As a result, Nevada corporate law has been, and is likely to continue to be, interpreted and explained in a number of significant court decisions, a circumstance which will provide greater predictability with respect to our legal affairs.

Effects of Reincorporation in Nevada

We are authorized to issue an aggregate of 60,000,000 shares of capital stock, 50,000,000 of which are Common Stock, par value \$.10 per share, and 10,000,000 are shares of preferred stock, no par value per share. As of this filing, the Company had 16,290,209 shares of Common Stock issued and outstanding and zero shares of Preferred Stock issued and outstanding.

Description of common stock

We are authorized to issue up to 50,000,000 shares of Common Stock, par value \$0.10 per share, which shares are non-assessable. Currently, all outstanding shares of our Common Stock are of the same class and have equal rights and attributes. The holders of our Common Stock are entitled to one vote per share on all matters submitted to a vote of the shareholders of the Company. Our Common Stock does not have cumulative voting rights. Persons who hold a majority of the outstanding shares of our Common Stock entitled to vote on the election of directors can elect all of the directors who are eligible for election. Holders of our Common stock are entitled to share equally in dividends, if any, as may be declared from time to time by our Board of Directors. In the event of liquidation, dissolution or winding

up of the Company, subject to the preferential liquidation rights of any series of preferred stock that we may from time to time designate, the holders of our Common Stock are entitled to share ratably in all of our assets remaining after payment of all liabilities and preferential liquidation rights. Upon the completion of the Reincorporation, each share of our Common Stock will still possess the same characteristics as those described in this paragraph.

Description of preferred stock

We are currently authorized to issue up to 10,000,000 shares of Class “A” Preferred Stock, no par value per share. The shareholders of Class “A” Preferred Stock shall have preference to shareholders of our Common Stock as to assets upon liquidation. Dividends on Class “A” Preferred Stock may be set from time to time by the Board of Directors. Our Articles of Incorporation authorize the issuance of shares of Preferred Stock with designations, rights and preferences determined from time to time by our Board of Directors. Accordingly, our Board of Directors is empowered, without shareholder approval, to issue Preferred Stock with dividend, liquidation, conversion, voting, or other rights which could adversely affect the voting power or other rights of the shareholders of the Common Stock. In the event of issuance, the Preferred Stock could be utilized, under certain circumstances, as a method of discouraging, delaying or preventing a change in control of the Company. There are no outstanding shares of Class “A” Preferred Stock and no other series of preferred stock has been designated by the Company. Upon the completion of the Reincorporation, the Company will still be allowed to issue various series of preferred stock that possess the same characteristics as those described in this paragraph, with the exemption however, that after the Reincorporation, the Company’s preferred stock will simply be known as ‘Preferred Stock’, not as ‘Class “A” Preferred Stock,’ until further designated by our Company’s Board of Directors.

Articles of Incorporation and Bylaws to be in Effect After the Reincorporation

Following the Reincorporation, we will be subject to new Articles of Incorporation and Bylaws formulated under the RNS. A copy of the Articles of Incorporation to be filed in Nevada is attached hereto as Exhibit B and a copy of the Bylaws is attached hereto as Exhibit C, which documents are substantially similar to the Company’s Articles of Incorporation and Bylaws that were promulgated under the URBC. Approval of the Reincorporation by our shareholders will automatically result in the adoption of the Articles of Conversion, Articles of Incorporation and Bylaws attached hereto.

(Remainder of page intentionally left blank.)

Comparison of Shareholder Rights Before and After the Reincorporation

Because of differences between the URBC and NRS, the Reincorporation will effect some changes in the rights of our Shareholders. Summarized below are the most significant differences between the rights of our Shareholders before and after the Reincorporation, as a result of the differences between the URBC and the NRS. The summary below is not intended to be relied upon as an exhaustive list of all differences or a complete description of the differences, and is qualified in its entirety by reference to the URBC, our Utah Articles of Incorporation, our Utah Bylaws, the NRS, our Nevada Articles of Incorporation and our Nevada Bylaws.

UTAH

NEVADA

Actions by Shareholders without a Meeting

URBC provides that any action which may be taken at any annual or special meeting of shareholders may be taken without a meeting and without prior notice, if one or more consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take the action at a meeting at which all shares entitled to vote thereon were present and voted. Unless the written consents of all shareholders entitled to vote have been obtained, notice of any shareholder approval without a meeting shall be given at least 10 days before the consummation of the transaction, action, or event authorized by the shareholder action.

Consistent with the NRS, our Nevada Bylaws will provide that any action that could be taken at an annual or special meeting of shareholders may be taken without a meeting, without prior notice and without a vote if written consents are signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted.

Removal of Directors

The shareholders may remove one or more directors with or without cause unless the articles of incorporation provide that directors may be removed only for cause. A director may be removed by the shareholders only at a meeting called for the purpose of removing the director and the meeting notice must state that purpose, or that one of the purposes of the meeting is removal of the director.

The NRS allows for the removal, with or without cause, of any or all members of the Board by the vote of the holders of at least two-thirds of shares entitled to vote.

Indemnification

Unless a corporation's articles of incorporation provide otherwise, an officer of the corporation is entitled to mandatory indemnification under URBC and is entitled to apply for court-ordered indemnification under URBC.

Consistent with the NRS, our Articles of Incorporation and Bylaws will provide that our officers and directors are to be indemnified to the fullest extent permitted by Nevada law.

Notice of Adjournment and Other Actions

The URBC provide that notice of shareholder meeting be given not less than 10, nor more than 60 days prior to the meeting. If a shareholder meeting is adjourned for more than 30 days, notice of the adjourned meeting must be given pursuant to the URBC requirements to shareholders of record who are entitled to vote at the meeting.

The NRS provide that notice of shareholder meetings be given not less than 10, nor more than 60 days prior to the meeting. If a shareholder meeting is adjourned (a) for more than 60 days (in which case a new record date is to be fixed by the Board of the company), notice shall be given to record holders as of the new record date, or (b) for less than 60 days but to a date, time or location uncertain, then an additional notice of the date, time and location of the reconvened meeting shall be given to the original shareholders of record.

Record Date

The URBC provide the record date for determining shareholders entitled to notice of and to vote at an annual or special shareholders' meeting is the close of business on the day before the first notice is delivered to shareholders. A record date may not be more than 70 days before the meeting or action requiring determination of shareholders. A determination of shareholders entitled to notice of or to vote at a shareholders' meeting is effective for any adjournment of the meeting unless the board of directors fixes a new record date, which it must do if the meeting is adjourned to a date more than 120 days after the date fixed for the original meeting.

The NRS permit the Board of Directors to set a record date for shareholders entitled to vote at any shareholder meeting which record date is not to be more than 60 days nor less than 10 days before the meeting. In the event action is to be taken by written consent, the Board may adopt a record date for such consent no sooner than the date on which the Board takes action or later than the date 10 days following the Board action, or if no record date is determined by the Board, the record date for the action by written consent will be the date on which Board approval of the matter was obtained, or if no Board approval was required, the first date on which an action on such matter is delivered by a shareholder.

Amendment to the Articles of Incorporation

In accordance with URBC, amendments to the Utah Articles of Incorporation require that the board of directors must recommend the amendment to the shareholders, must give notice of a special meeting to approve the amendment, and the shareholders entitled to vote on the amendment must approve the amendment.

In accordance with the NRS, amendments to the Nevada Articles of Incorporation generally require that the Board adopt a resolution setting forth the amendment and submitting it to a vote of the shareholders (i.e., shareholders are not entitled to enact an amendment to the Nevada Articles of Incorporation without any Board action).

Amendment to the Bylaws

Under URBC, a corporation's board of directors may amend the corporation's Bylaws at any time, except to the extent that the articles of incorporation, the bylaws, or URBC reserve this power exclusively to the shareholders, in whole or part. A corporation's shareholders may amend the corporation's bylaws at any time, even though the bylaws may also be amended at any time by the board of directors.

The shareholders of a Nevada company may adopt, amend or repeal its Bylaws. Our Nevada Articles of Incorporation provide that the Board also may amend, restate or repeal its Bylaws. The fact that such power has been so conferred upon the Board does not divest the shareholders of the power, nor limit the shareholders' power to adopt, amend or repeal Bylaws.

Dividends

A dividend of shares may be issued pro rata to the shareholders of one or more classes or series of shares. Shares of one class or series may not be issued as a share dividend in respect of shares of another class or series unless the articles of incorporation so authorize, the majority of the votes entitled to be cast by the outstanding shares of the class or series to be issued approve the issue, or there are no outstanding share of the class or series to be issued.

A board of directors may authorize and the corporation may make distributions to its shareholders subject to any restriction in the articles of incorporation except that no distribution may be made if, after giving it effect, the corporation would not be able to pay its debts as they become due in the usual course of business or if the corporation's total assets would be less than the sum of its total liabilities plus the amount that would be needed if the corporation were to be dissolved at the time of distribution, to satisfy the preferential rights upon dissolution of shareholders who preferential rights are superior to those receiving the distribution.

The Articles of Incorporation of a Nevada company permit the payment of dividends on its outstanding shares in all instances other than where the Corporation would be unable to pay its debts as they become due in the usual course of business.

Corporate Records (Form of Records)

A corporation shall keep a copy of the following records at its principal office:

The NRS requires that certified copies of the Corporation's Articles of Incorporation and Bylaws and a copy of its stock ledger be kept at the offices of the Corporation's resident agent in the State of Nevada.

(a) its articles of incorporation currently in effect;

(b) its bylaws currently in effect;

(c) the minutes of all shareholders' meetings, and records of all action taken by shareholders without a meeting, for the past three years;

(d) all written communications within the past three years to shareholders as a group or to the holders of any class or series of shares as a group;

(e) a list of the names and business addresses of its current officers and directors;

(f) its most recent annual report delivered to the division under URBC; and

(g) all financial statements prepared for periods ending during the last three years that a shareholder could request under URBC.

Examination of Books and Records

A shareholder or director of a corporation is entitled to inspect and copy, during regular business hours at the corporation's principal office, if he gives the corporation written notice of the demand at least five business days before the date on which he wishes to inspect and copy. Items to which a shareholder or director is entitled to inspect and copy include excerpts from: (i) minutes of any meeting, records of any action taken by the board of directors, or by a committee of the board of directors while acting on behalf of the corporation in place of the board of directors; (ii) minutes of any meeting of the shareholders; (iii) records of any action taken by the shareholders without a meeting; and (iv) waivers of notices of any meeting of the shareholders, of any meeting of the board of directors, or of any meeting of a committee of the board of directors; (v) accounting records of the corporation; and (vi) the record of shareholders. A shareholder or director is entitled to inspect and copy records only if (a) the demand is made in good faith and for a proper purpose; (b) the shareholder or director describes with reasonable particularity his purpose and the records he desires to inspect; and (c) the records are directly connected with his purpose. The corporation may not abolish this right of inspection.

Under the NRS, any shareholder of record for more than 6 months or person authorized by the holder(s) of at least 5% of the Corporation's outstanding shares may, upon 5 days' written demand, inspect the copies of the Articles of Incorporation, Bylaws or stock ledger at the offices of the resident agent, except that the Corporation may deny any such right to any person that refuses to provide an affidavit that the inspection is not desired for a purpose other than the business of the corporation and the person has not sold or offered for sale any list of stockholders of any corporation or aided another in procuring such a list for any purpose. In addition, any holder(s) of record of at least 15% of the Corporation's outstanding shares, or person authorized by them, may, upon 5 days' written demand, inspect and make copies of the books of account and all financial records of the Corporation, and conduct an audit of such records, except that the Corporation may deny such right to any person that refuses to provide an affidavit that such inspection, copies or audit is not desired for any purpose not related to such person's interests as a shareholder.

Dissenters' and Appraisal Rights

A shareholder, whether or not entitled to vote, is entitled to dissent from, and obtain payment of the fair value of shares held by him in the event of (i) a consummation of a plan of merger for which shareholder approval is required, (ii) upon consummation of a share exchange in which the corporation's shares will be acquired, (iii) upon the sale, lease or exchange, or disposition of all or substantially all of the property of the corporation for which a shareholder vote is required.

Except as specifically provided in a corporation's articles or bylaws, the NRS provides appraisal rights only in the case of a shareholder objecting to certain mergers or consolidations. Thus, unless otherwise specifically provided in a corporation's article' or bylaws, under the NRS, shareholders have no appraisal rights in a sale, lease or exchange of all or substantially all of a corporation's assets.

Reacquisition of Stock by the Corporation

A corporation may acquire its own shares and shares so acquired constitute authorized but unissued shares.

A Nevada company may acquire its own shares. The stock issued by the company is fully paid and after being reacquired by the company, it has the status of "treasury shares," if the Board does not by resolution retire the reacquired shares to authorized but unissued stock of the company.

Control Share Acquisition Statute

The URBC does not contain any control share acquisition provisions.

The NRS provides that under certain circumstances any person directly or indirectly acquiring a “controlling interest” in an “issuing corporation” obtains only those voting rights with respect to shares purchased within the 90-day period leading up to the attainment of “control” status as are approved by the disinterested shareholders of the corporation. A “controlling interest” is deemed to be the direct or indirect power to exercise at least 20% of the voting power of the shareholders in the election of directors. An “issuing corporation” is a Nevada corporation directly or indirectly doing business in Nevada with at least 200 stockholders, of which 100 must have Nevada addresses.

An issuing corporation may adopt a provision, on or before the date 10 days following the control share acquisition, allowing the corporation to call for the redemption of an acquiring person’s shares (at their average acquisition price) if (a) the acquiring person fails to deliver certain information to the corporation within 10 days following acquisition of the controlling interest or (b) such information is delivered but the stockholders fail to confer full voting rights to the control shares.

Unless the corporation has provided otherwise in its Articles of Incorporation or Bylaws on or before the 10th day following the control share acquisition, if (a) the control shares are conferred full voting rights by the stockholders, and (b) the acquiring person has obtained a majority or more of all voting power, any disinterested stockholder not voting in favor of conferring voting rights to the control shares may demand payment for his shares at a price not less than the average acquisition price (ambiguous as to whether this means for the control person or the redeeming person). The Board must give notice and opportunity to elect to be bought out to all stockholders not voting in favor of the grant of full voting rights.

FEDERAL INCOME TAX CONSEQUENCES OF THE REINCORPORATION

The Reincorporation is intended to be tax free under the Internal Revenue Code. Accordingly, you will recognize no gain or loss for federal income tax purposes as a result of the completion of the Reincorporation.

You should consult your own tax advisers as to the particular tax consequences to you of the Reincorporation under state, local or foreign tax laws.

PROPOSAL TO APPROVE THE LTIP

On September 25, 2009, the Company's Board of Directors adopted the LTIP to provide financial incentives to employees, members of the Board, and advisers and consultants of the Company who are able to contribute towards the creation of or who have created stockholder value by providing them stock options and other stock and cash incentives (the "Awards"). The version of the LTIP approved by the Company's Board of Directors on September 25, 2009, reserved an aggregate of 1,000,000 shares of the Company's Common Stock for issuance thereunder.

On March 28, 2010, the Company's Board of Directors approved a revision to the Plan to increase the number of shares available for issuance to an aggregate of 1,500,000 shares. All other provisions of the Plan remain unchanged.

Attached hereto at Exhibit D is a copy of the LTIP that includes the revision to increase the shares available pursuant to the LTIP to 1,500,000 shares.

DESCRIPTION OF THE LTIP

The Company's Board of Directors believes that the LTIP will promote the long-term success of the Company and will provide financial incentives to employees, members of the Board, and advisers and consultants of the Company to strive for long-term creation of stockholder value. The Plan provides long-term incentives to employees, members of the Board, and advisers and consultants of the Company who are able to contribute towards the creation of or have created stockholder value by providing them stock options and other stock and cash incentives.

The total number of shares that may be issued pursuant to the LTIP shall not exceed One Million Five Hundred Thousand (1,500,000), subject to adjustment in the event of certain recapitalizations, reorganizations and similar transactions.

Until such time as the Company's Board of Directors names a Compensation Committee, the LTIP will be administered by the Company's Board of Directors as a whole. The Compensation Committee shall have the authority to construe and interpret the LTIP and any awards granted thereunder, to establish and amend rules for plan administration, to change the terms and conditions of options and other awards at or after grant, and to make all other determinations which it deems necessary or advisable for the administration of the LTIP. The determinations of the Compensation Committee shall be made in accordance with its judgment as to the best interests of the Company and its shareholders and in accordance with the purposes of the LTIP.

Eligibility under the LTIP

Only employees of the Company, non-employee members of the Board, and members of advisory committees of the Company or consultants thereto, who are designated by the LTIP or selected by the Compensation Committee to participate in the LTIP shall be eligible to participate in the LTIP.

Awards Available under the LTIP

The Awards available under the LTIP shall consist of Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Stock, Performance Units, and other stock or cash awards, as described therein. Provisions of the LTIP provide that no participant may receive in any calendar year Stock Options relating to more than 300,000 shares, Restricted Stock or Restricted Stock Units that are subject to the attainment of performance goals relating to more than 250,000 shares, Stock

Appreciation Rights relating to more than 250,000 shares, Performance Stock relating to more than 500,000 shares, or a cash payment under a single Performance Unit Award, a single EVA Award, or other cash bonus exceeding \$100,000.

Stock Options

Stock Options entitle their holders to purchase shares of the Company's Common Stock at a specified price for a specified period of time. The exercise price for each Stock Option shall be determined by the Compensation Committee but shall not be less than 100% of the Fair Market Value of the Company's Common Stock on the date the Stock Option is granted. The Fair Market Value means the closing stock price at 4:00 p.m. ET on the principal United States national stock exchange on which the Company's Common Stock is traded, or if the Company's Common Stock shall not have been traded on such date, the closing sale price on such stock exchange on the first day prior thereto, or if the Company's Common Stock is not traded on a United States national stock exchange, such other amount as may be determined by the Compensation Committee by any fair and reasonable means.

Any stock options granted in the form of an incentive stock option will be intended to comply with the requirements of Section 422 of the Internal Revenue Code of 1986, as amended. Only options granted to employees qualify for incentive stock option treatment.

Each Stock Option shall expire at such time as the Compensation Committee shall determine at the time of grant. No Stock Option shall be exercisable later than the tenth anniversary of its grant. A Stock Option may be exercised in whole or in installments, which shall be cumulative. Shares of the Company's Common Stock purchased upon the exercise of a Stock Option must be paid for in full at the time of exercise in cash or such other consideration determined by the Compensation Committee. Payment may include tendering shares of Common Stock in lieu of cash.

Stock Appreciation Rights

A stock appreciation right ("SAR") is the right to receive a payment equal to the excess of the Fair Market Value of a specified number of shares of Common Stock on the date the SAR is exercised over the Fair Market Value on the date of grant of the SAR. An SAR may be granted in tandem with a Stock Option granted under the LTIP or on a free-standing basis. The Compensation Committee also may, in its discretion, substitute SARs which can be settled only in stock for outstanding Stock Options, at any time when the Company is subject to fair value accounting.

Upon exercise of an SAR, the participant shall be entitled to receive payment from the Company in an amount determined by multiplying the excess of the Fair Market Value of a share of Common Stock of the Company on the date of exercise over the grant price of the SAR by the number of shares with respect to which the SAR is exercised. The payment may be made in cash or stock, at the discretion of the Compensation Committee, except in the case of a substitute SAR which may be made only in stock.

Restricted Stock and Restricted Stock Units

Restricted Stock and Restricted Stock Units may be awarded or sold to participants under such terms and conditions as shall be established by the Committee. Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee determines, including a prohibition against sale, assignment, transfer, pledge, or hypothecation, and a requirement that the participant forfeit such shares or units in the event of termination of employment. A Restricted Stock Unit provides a participant the right to receive payment at a future date after the lapse of restrictions or achievement of performance criteria or other conditions determined by the Compensation Committee.

Performance Stock

The Compensation Committee shall designate the participants to whom long-term performance stock (“Performance Stock”) is to be awarded and determine the number of shares, the length of the performance period and the other terms and conditions of each such award; provided the stated performance period will not be less than twelve (12) months. Each award of Performance Stock shall entitle the Participant to a payment in the form of shares of Common Stock of the Company upon the attainment of performance goals and other terms and conditions specified by the Committee. The Compensation Committee may, in its discretion, make a cash payment equal to the Fair Market Value of shares of Common Stock otherwise required to be issued to a participant pursuant to a Performance Stock Award.

Performance Units

The Compensation Committee shall designate the participants to whom long-term performance units (“Performance Units”) are to be awarded and determine the number of units and the terms and conditions of each such award; provided the stated performance period will not be less than twelve (12) months. Each Performance Unit award shall entitle the Participant to a payment in cash upon the attainment of performance goals and other terms and conditions specified by the Committee.

All awards are discussed in more detail in the LTIP. All awards made under the LTIP may be subject to vesting and other contingencies as determined by the Compensation Committee and will be evidenced by agreements approved by the Compensation Committee which set forth the terms and conditions of each award.

Adjustment Provisions

If the Company shall at any time change the number of issued shares of Common Stock by stock dividend, stock split, spin-off, split-off, spin-out, recapitalization, merger, consolidation, reorganization, combination, or exchange of shares, the total number of shares reserved for issuance under the LTIP, the maximum number of shares that may be made subject to an Award or all Awards in any calendar year, and the number of shares covered by each outstanding Award and the price therefor, if any, shall be equitably adjusted by the Committee, in its sole discretion.

In the event of any merger, consolidation or reorganization of the Company with or into another corporation that results in the outstanding Common Stock of the Company being converted into or exchanged for different securities, cash or other property, or any combination thereof, the Company shall have the authority to provide in the controlling agreement for such transaction (i) that there shall be substituted, as determined by the Compensation Committee in its discretion, for each share of Common Stock then subject to an Award granted under the LTIP, the number and kind of shares of stock, other securities, cash or other property to which holders of Common Stock of the Company will be entitled pursuant to the transaction, (ii) that the acquiring or surviving corporation in the transaction shall assume the outstanding Awards under the LTIP (which may be exercisable into the securities of the acquiring or surviving corporation), (iii) that all unexercised Awards shall terminate immediately prior to such transaction unless exercised prior to the closing of the transaction, or (iv) a combination of the foregoing.

Tax Consequences

The Company shall be entitled to withhold the amount of any tax attributable to any amounts payable or shares deliverable under the LTIP, after giving the person entitled to receive such payment or delivery notice and the Company may defer making payment or delivery as to any award, if any such tax is payable until indemnified to its satisfaction. A Participant may pay all or a portion of any required withholding taxes arising in connection with the exercise of a Stock Option or SAR or the receipt or vesting of shares hereunder by electing to have the Company withhold shares of Common Stock, having a Fair Market Value equal to the amount required to be withheld.

The following are the federal tax consequences generally arising with respect to awards that may be granted under the LTIP. The grant of an option will create no tax consequences for an optionee or the Company. The optionee will have no taxable income upon exercising an incentive stock option (except that the alternative minimum tax may apply), and the Company will receive no deduction when an incentive stock option is exercised. Upon exercising an option other than an incentive stock option, the optionee must recognize ordinary income equal to the difference between the exercise price and the Fair Market Value of the stock on the date of exercise; the Company will be entitled to a tax deduction for the same amount. The tax treatment for an optionee on a disposition of shares acquired through the exercise of an option depends on how long the shares have been held and whether such shares were acquired by exercising an incentive stock option or by exercising an option other than an incentive stock option. Generally, there will be no tax consequences to the Company in connection with the disposition of shares acquired under an option except that the Company may be entitled to a tax deduction in the case of a disposition of shares acquired under the incentive stock option before the applicable incentive stock option holding periods have been satisfied.

With respect to other awards granted under the LTIP that are settled either in cash or in stock or other property that is either transferable or not subject to substantial risk of forfeiture, the participant must recognize ordinary income equal to the cash or Fair Market Value of shares and the Company will be entitled to a deduction for the same amount. With respect to awards that are restricted as to transferability or subject to substantial risk of forfeiture, the participant must recognize ordinary income equal to the fair market value of the shares received at the time the shares or other property became transferable or not subject to substantial risk of forfeiture, whichever occurs earlier; the Company will be entitled to a deduction for the same amount.

Use of LTIP Benefits

The future benefits or amounts that would be received under the LTIP by executive officers and others are discretionary and are therefore not determinable at this time. The Company's board of directors has approved the issuance of stock options to employees for 900,000 shares, which stock options will be issued upon or after the Effective Date.

DELIVERY OF DOCUMENTS AND HOUSEHOLDING

The Commission has adopted rules that permit companies and intermediaries such as brokers, to satisfy the delivery requirements for information statements with respect to two or more shareholders sharing the same address by delivering a single information statement addressed to those shareholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders, is environmentally friendly, and represents cost savings for companies.

For this Information Statement, the Company's transfer agent or brokers may be householding this Information Statement and the documents incorporated by reference that we are enclosing with the Information Statement. A single Information Statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the effected shareholders. Once you have received notice from your broker or the Company that either of them will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent.

If at any time, you no longer wish to participate in householding and would prefer to receive separate periodic reports, or if you currently receive multiple copies of the Information Statement or other periodic reports at your address and would like to request householding by the Company, please notify your broker if your shares are not held directly in your name. If you own your shares directly rather than through a brokerage account, you should direct your written request directly to Robert Cambridge, Chief Executive Officer, AMHN, Inc., 100 North First Street, Suite 104, Burbank, CA 91502.

OTHER MATTERS

As of the date of this Information Statement, the Company's Board of Directors knows of no other matters other than those described in this Information Statement which have been approved or considered by the holders of a majority of the shares of our voting stock.

Section 4 – Notice of Meetings: (Section 78.370)

- (a) Written or printed notice of each meeting of shareholders, whether annual or special, signed by the president, vice president or secretary, stating the time when and place where it is to be held, as well as the purpose for which the meeting is called, shall be served either personally or by mail, by or at the direction of the president, the secretary, or the officer or the person calling the meeting, not less than ten or more than sixty days before the date of the meeting, unless the lapse of the prescribed time shall have been waived before or after the taking of such action, upon each shareholder of record entitled to vote at such meeting, and to any other shareholder to whom the giving of notice may be required by law. If mailed, such notice shall be deemed given when deposited in the United States mail, addressed to the shareholder as it appears on the transfer records of the Corporation or to the current address that a shareholder has delivered to the Corporation in a written notice.
- (b) Further notice to a shareholder is not required when notice of two consecutive annual meetings, and all notices of meetings or of the taking of action by written consent without a meeting to him or her during the period between those two consecutive annual meetings; or all, and at least two payments sent by first-class mail of dividends or interest on securities during a 12-month period have been mailed addressed to him or her at his or her address as shown on the records of the Corporation and have been returned undeliverable.

Section 5 – Quorum: (Section 78.320)

- (a) Except as otherwise provided herein, or by law, or in the Articles or Incorporation (such Articles and any amendments thereof being hereinafter collectively referred to as the “Articles of Incorporation”), a quorum shall be present at all meetings of shareholders of the Corporation, if the holders of a majority of the shares entitled to vote on that matter are represented at the meeting in person or by proxy.
- (b) The subsequent withdrawal of any shareholder from the meeting, after the commencement of a meeting, or the refusal of any shareholder represented in person or by proxy to vote, shall have no effect on the existence of a quorum, after a quorum has been established at such meeting.
- (c) Despite the absence of a quorum at any meeting of shareholders, the shareholders present may adjourn the meeting.

Section 6 – Voting and Acting: (Section 78.320 & 78.350)

- (a) Except as otherwise provided by law, the Articles of Incorporation, or these Bylaws, or by any corporate action, the affirmative vote of the majority of shares entitled to vote on that matter and represented either in person or by proxy at a meeting of shareholders at which a quorum is present, shall be the act of the shareholders of the Corporation.

- (c) Where appropriate communication facilities are reasonably available, any or all shareholders shall have the right to participate in any shareholders’ meeting by means of conference telephone or any means of communication by which all persons participating in the meeting are able to hear each other.

Section 7 – Proxies: (Section 78.355)

Each shareholder entitled to vote or to express consent or dissent without a meeting, may do so either in person or by proxy, so long as such proxy is executed in writing by the shareholder himself, his authorized officer, director, employee or agent or by causing the signature of the stockholder to be affixed to the writing by any reasonable means, including, but not limited to, a facsimile signature, or by his attorney-in-fact there unto duly authorized in writing. Every proxy shall be revocable at will unless the proxy conspicuously states that it is irrevocable and the proxy is coupled with an interest. A telegram, telex, cablegram, or similar transmission by the shareholder, or a photographic, photocopy, or facsimile, shall be treated as a valid proxy, and treated as a substitution of the original proxy, so long as such transmission is a complete reproduction executed by the shareholder. If it is determined that the telegram, cablegram or other electronic transmission is valid, the persons appointed by the Corporation to count the votes of shareholders and determine the validity of proxies and ballots or other persons making those determinations must specify the information upon which they relied. No proxy shall be valid after the expiration of six months from the date of its execution, unless otherwise provided in the proxy. Such instrument shall be exhibited to the Secretary at the meeting and shall be filed with the records of the Corporation. If any shareholder designates two or more persons to act as proxies, a majority of those persons presents at the meeting, or, if one is present, then that one has and may exercise all of the powers conferred by the shareholder upon all of the persons so designated unless the shareholder provides otherwise.

Section 8 – Action Without a Meeting: (Section 78.320)

Unless otherwise provided for in the Articles of Incorporation of the Corporation, any action to be taken at any annual or special shareholders' meeting may be taken without a meeting, without prior notice and without a vote if written consents are signed by a majority of the shareholders of the Corporation, except however if a different proportion of voting power is required by law, the Articles of Incorporation or these Bylaws, then that proportion of written consents is required. Such written consents must be filed with the minutes of the proceedings of the shareholders of the Corporation.

ARTICLE III – BOARD OF DIRECTORS

Section 1 – Number, Term, Election and Qualifications: (Section 78.115, 78.330)

- (a) The first Board of Directors and all subsequent Boards of the Corporation shall consist of a minimum of 5 directors, unless and until it is otherwise determined that the number of directors be increased or decreased by vote of a majority of the entire Board of Directors. The Board of Directors or shareholders all have the power, in the interim between annual and special meetings of the shareholders, to increase or decrease the number of Directors of the Corporation. A Director need not be a shareholder of the Corporation unless the Articles of Incorporation of the Corporation or these Bylaws so require.
- (b) Except as may otherwise be provided herein or in the Articles of Incorporation, the members of the Board of Directors of the Corporation shall be elected at the first annual shareholders' meeting and at each annual meeting thereafter, unless their terms are staggered in the Articles of Incorporation of the Corporation or these Bylaws, by a plurality of the votes cast at a meeting of shareholders by the holders of shares entitled to vote in the election.
- (c) The first Board of Directors shall hold office until the first annual meeting of shareholders and until their successors have been duly elected and qualified or until there is a decrease in the number of Directors. Thereinafter, Directors will be elected at the annual meeting of shareholders and shall hold office until the annual meeting of the shareholders next succeeding his election, unless their terms are staggered in the Articles of Incorporation of the Corporation (so long as at least one-fourth in number of the Directors of the Corporation are elected at each annual shareholders' meeting) or these Bylaws, or until his prior death, resignation or removal. Any Director may resign at any time upon written notice of such resignation to the Corporation.

- (b) **Terms of Stock Options.** The Committee shall determine the terms and conditions of each Stock Option, the number of shares subject to the Stock Option, and whether the Stock Option is an Incentive Stock Option or a Non-statutory Stock Option. The option price for each Stock Option shall be determined by the Committee but shall not be less than 100% of the Fair Market Value of the Company's common stock on the date the Stock Option is granted. Notwithstanding the foregoing, a Stock Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Code Section 424(a).
- (c) **Term of Stock Options.** Each Stock Option shall expire at such time as the Committee shall determine at the time of grant.
- (d) **Exercisability of Stock Options.** Each Stock Option shall be exercisable at such time and subject to such terms and conditions as the Committee shall determine; provided, however, that no Stock Option shall be exercisable later than the tenth anniversary of its grant. The option price, upon exercise of any Stock Option, shall be payable to the Company in full by (i) cash payment or its equivalent, (ii) tendering previously acquired shares (held for at least six months to the extent necessary to avoid any variable accounting on such option) or purchased on the open market and having a Fair Market Value at the time of exercise equal to the option price, or certification of ownership of such previously-acquired shares, (iii) delivery of a properly executed exercise notice, together with irrevocable instructions to a broker to promptly deliver to the Company the amount of sale proceeds from the option shares or loan proceeds to pay the exercise price and any withholding taxes due to the Company, and (iv) such other methods of payment as the Committee, at its discretion, deems appropriate, provided, that payment of the Common Stock's par value shall not be made by deferred payment.

Except as otherwise provided in a LTIPA, in the event the Service of a Participant holding a Stock Option terminates (other than upon the Participant's death or Disability), the Participant may exercise his or her Stock Option (to the extent that the Participant was entitled to exercise such Stock Option as of the date of termination) but only within such period of time ending on the earlier of

- (i) the date three (3) months following the termination of the Participant's Service (or such longer or shorter period specified in the LTIPA for such Stock Option), or (ii) the expiration of the term of the Stock Option as set forth in the LTIPA. If, after termination, the Participant does not exercise his or her Option within the time specified in the LTIPA, the Stock Option shall thereafter terminate.
- (e) **Vesting.** Subject to the provisions of Sections 5(f), 16 and 24, the total number of shares of Common Stock subject to a Stock Option shall be subject to the following vesting provisions of this Subsection 6(e):
- (i) The total number of shares of Common Stock subject to a Stock Option may, but need not, vest and therefore become exercisable in periodic installments that may, but need not, be equal.
 - (ii) The Stock Option may be subject to such other terms and conditions on the time or times when it may be exercised (which may be based on performance or other criteria) as the Committee may deem appropriate.
 - (iii) The vesting provisions of individual Stock Options may vary.
 - (iv) The provisions of this Subsection 6(e) are subject to any Stock Option provisions governing the minimum number of shares of Common Stock as to which a Stock Option may be exercised.
- (f) **Incentive Stock Option Requirements.** Stock Options granted under the Plan as Incentive Stock Options shall have such terms as required by Code Sections 422 for an Incentive Stock Option, including, but not limited to, the following terms in this Section 6(f).
- (i) Incentive Stock Options shall be granted only to employees of the Company.
 - (ii) The exercise price of each Incentive Stock Option shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted or one hundred ten percent (110%) in the case of a grant of an Incentive Stock Option to a Ten Percent Shareholder. Notwithstanding the foregoing, an Incentive Stock Option may be granted with an exercise price lower than that set forth in the preceding sentence if such option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Code Section 424(a).
 - (iii) The maximum term of an Incentive Stock Option shall be ten years from the date of grant provided that the maximum term of an Incentive Stock Option granted to a Ten Percent Shareholder shall be five years from the date of grant.
 - (iv) To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Participant during any

calendar year (under all plans of the Company and its affiliated corporations) exceeds one hundred thousand dollars (\$100,000), the Stock Options or portions thereof which exceed such limit (according to the order in which they were granted) shall be treated as Non-statutory Stock Options.

- (v) If any Participant shall make any disposition of shares issued pursuant to the exercise of an Incentive Stock Option under the circumstances described in Code Section 421(b) (relating to certain disqualifying dispositions), such Participant shall notify the Company of such disposition within ten (10) calendar days thereof.
- (g) **Reduction in Price or Reissuance.** In no event shall the Committee, without first receiving shareholder approval, (a) cancel any outstanding Stock Option for the purpose of reissuing the Stock Option to the Participant at a lower exercise price, or (b) reduce the exercise price of a previously issued Stock Option.

7. **STOCK APPRECIATION RIGHTS**

- (a) Stock Appreciation Rights may be granted to Participants at any time as determined by the Committee. An SAR may be granted in tandem with a Stock Option granted under the Plan or on a free-standing basis. The Committee also may, in its discretion, substitute SARs which can be settled only in stock for outstanding Stock Options, at any time when the Company is subject to fair value accounting.
- (b) The grant price of a tandem or substitute SAR shall be equal to the option price of the related option. The grant price of a free-standing SAR shall be equal to the Fair Market Value of the Company's Common Stock on the date of its grant. An SAR may be exercised upon such terms and conditions and for the term as the Committee in its sole discretion determines to apply to the SAR; *provided, however*, that the term of the SAR shall not exceed the option term in the case of a tandem or substitute SAR or ten years in the case of a free-standing SAR, and the terms and conditions applicable to a substitute SAR shall be substantially the same as those applicable to the Stock Option which it replaces.
- (c) Upon exercise of an SAR, the Participant shall be entitled to receive payment from the Company in an amount determined by multiplying the excess of the Fair Market Value of a share of Common Stock of the Company on the date of exercise over the grant price of the SAR by the number of shares with respect to which the SAR is exercised. The payment may be made in cash or stock, at the discretion of the Committee, except in the case of a substitute SAR which may be made only in stock.
- (d) In no event shall the Committee, without first receiving shareholder approval, (1) cancel any outstanding SAR for the purpose of reissuing the SAR to the Participant at a lower exercise price, or (2) reduce the exercise price of a previously issued SAR.

8. **RESTRICTED STOCK AND RESTRICTED STOCK UNITS**

Restricted Stock and Restricted Stock Units may be awarded or sold to Participants under such terms and conditions as shall be established by the Committee. Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee determines, including, without limitation, any of the following:

- (a) a prohibition against sale, assignment, transfer, pledge, hypothecation or other encumbrance for a specified period;
- (b) a requirement that the holder forfeit (or in the case of shares or units sold to the Participant resell to the Company at cost) such shares or units in the event of termination of employment or other service during the period of restriction; or
- (c) with respect to Restricted Stock, the Award may be conditioned upon the Participant making or not making an election under Code Section 83(b). If the Participant makes an election pursuant to Code Section 83(b), the Participant shall be required to file a copy of the election with the Company within ten (10) calendar days.

All restrictions shall expire at such times as the Committee shall specify.

Except for the restrictions set forth herein and unless otherwise determined by the Committee, the Participant shall have all the rights of a shareholder with respect to shares of Restricted Stock, including but not limited to the right to vote and the right to receive dividends, provided that the Committee, in its sole discretion, may require that any dividends paid on shares of Restricted Stock be held in escrow until all restrictions on the shares have lapsed. With respect to Restricted Stock Units, a Participant shall have no rights of a shareholder until restrictions lapse and underlying shares, if any, are delivered; however, the Committee may provide for the payment of dividend equivalents if so specified in the LTIPA.

Payment of Restricted Stock Units may be made in cash, stock, or a combination of cash and stock, in the Committee's sole discretion.

To the extent a Restricted Stock Unit Award constitutes "deferred compensation" within the meaning of Code Section 409A, the Committee shall establish LTIPA terms and provisions that comply with Code Section 409A and regulations thereunder.

9. **PERFORMANCE STOCK**

The Committee shall designate the Participants to whom long-term performance stock ("Performance Stock") is to be awarded and determine the number of shares, the length of the performance period and the other terms and conditions of each such award; provided the stated performance period will not be less than twelve (12) months. Each award of Performance Stock shall entitle the Participant to a payment in the form of shares of Common Stock of the Company upon the attainment of performance goals and other terms and conditions specified by the Committee.

Notwithstanding satisfaction of any performance goals, the number of shares issued under a Performance Stock Award may be adjusted by the Committee on the basis of such further consideration as the Committee in its sole discretion shall determine. However, the Committee

may not, in any event, increase the number of shares earned upon satisfaction of any performance goal by any Participant who is a Covered Employee. The Committee may, in its discretion, make a cash payment equal to the Fair Market Value of shares of Common Stock otherwise required to be issued to a Participant pursuant to a Performance Stock Award.

To the extent a Performance Stock Award constitutes “deferred compensation” within the meaning of Code Section 409A, the Committee shall establish LTIPA terms and provisions that comply with Code Section 409A and regulations thereunder.

10. **PERFORMANCE UNITS**

The Committee shall designate the Participants to whom long-term performance units (“Performance Units”) are to be awarded and determine the number of units and the terms and conditions of each such award; provided the stated performance period will not be less than twelve (12) months. Each Performance Unit award shall entitle the Participant to a payment in cash upon the attainment of performance goals and other terms and conditions specified by the Committee.

Notwithstanding the satisfaction of any performance goals, the amount to be paid under a Performance Unit Award may be adjusted by the Committee on the basis of such further consideration as the Committee in its sole discretion shall determine. However, the Committee may not, in any event, increase the amount earned under Performance Unit Awards upon satisfaction of any performance goal by any Participant who is a Covered Employee and the maximum amount earned by a Covered Employee in any calendar year may not exceed \$250,000. The Committee may, in its discretion, substitute actual shares of Common Stock for the cash payment otherwise required to be made to a Participant pursuant to a Performance Unit Award.

To the extent a Performance Unit Award constitutes “deferred compensation” within the meaning of Code Section 409A, the Committee shall establish LTIPA terms and provisions that comply with Code Section 409A and regulations thereunder.

11. **EVA AWARDS**

- (a) **Definitions.** The following terms shall have the meanings given them below in this Section 11 for purposes of the EVA Awards granted under the Plan.
- (i) “Adjusted Basic Award” means the Basic Award adjusted by the percentage completion of a Target Goal.
 - (ii) “Annual Review” means the annual review by the Committee of each LTIPA entered into under the Plan. The review will determine the Phase Level attainment by the Participant, any proposed changes to the LTIPA, evaluate the Participant’s performance during the Performance Period and provides the basis for the Committee’s determination of an individual Award.
 - (iii) “Basic Award” means that monetary value set forth in the LTIPA that could form the basis of the Award that may be achieved upon full attainment of the Target Goal.

- (iv) “EVA” means the net operating profit after taxes, as adjusted to eliminate the effect of non-economic elements of generally accepted accounting principles (“NOPAT”), less the weighted average cost of capital employed during the year (“Employed Capital”). The Committee shall have the discretion to adjust NOPAT to include or exclude: (i) extraordinary, unusual and/or non-recurring items of gain or loss, (ii) gains or losses on the disposition of a business, (iii) changes in tax or accounting regulations or laws, or (iv) the effect of a merger or acquisition, as identified in the Company’s quarterly and annual earnings releases. In all other respects, Performance Criteria shall be calculated in accordance with the Company’s financial statements, generally accepted accounting principles, or under a methodology established by the Committee prior to the issuance of an Award that is consistently applied and identified in the audited financial statements, including footnotes, or the Management Discussion and Analysis section of the Company’s annual report.
 - (v) “EVA Unit” means the designated unit of EVA identified in the LTIPA.
 - (vi) “Payment Cycle” shall mean that period of time over which an Award, if earned, may be paid.
 - (vii) “Phase Level” means the level of attainment achieved during a Performance Period towards accomplishment of a Target Goal. The Phase Level shall be determined annually by the Committee based on recommendations from the CEO and is a factor in determining the Award.
 - (viii) “Performance Period” means a period of time designated in the LTIPA during which performance under the Plan will be measured and may be a period of at least one year and up to ten years in length and which may overlap, provided that no two Performance Periods under the Plan of equal length shall coincide.
 - (ix) “Target Goal” means the EVA objective set forth in the LTIPA.
- (b) **Eligibility and Participation.** Only the following employees of the Company shall be eligible for an EVA Award. Employees employed by the Company on the last day of the Performance Period, who:
- (i) are specifically designated as Participants in the Plan by the Committee;
 - (ii) have been designated to be eligible to receive an EVA Award by the Committee;
 - (iii) have executed an LTIPA which is executed by the CEO (or, with respect to the LTIPA of the CEO, a non-employee member of the Committee);
 - (iv) have achieved relevant LTIPA performance criteria; and

- (v) have participated in Annual Reviews of the LTIPA during the Performance Period.
- (c) **EVA Award.** The EVA Award is the Adjusted Basic Award multiplied by the Phase Level attained by the Participant and a factor the numerator of which is the average of the closing price of the Common Stock of the Company (on the principal stock exchange on which the Company's Common Stock is traded, as determined by the Company) for the six months preceding the last day of a Performance Period and the denominator is the average closing price of the Common Stock of the Company (on the principal stock exchange on which the Company's Common Stock is traded, as determined by the Committee) for the six months preceding the execution of a Participant's LTIPA ("Beginning Stock Price"). The factor so determined shall not be less than one.
- The Adjusted Basic Award shall be determined based on the EVA Unit's and the Participant's achievement of the Target Goal. At an achievement level of 49.99%, the Adjusted Basic Award is 0% of the Basic Award. The Adjusted Basic Award is the percent of the Target Goal achieved (at 50% or higher) multiplied by the Basic Award, not to exceed 100% of the Basic Award.
- (i) A Participant's potential Award shall be earned after the last day of a Performance Period and upon the final approval of the Committee of the Award. Portions of the Award are subject to forfeiture during the Payment Cycle as provided in Section 11(d). The Participant shall have no interest in the Award until the final approval of the Committee of the Award.
- (ii) The actual Award granted to a Participant hereunder shall be based upon the Company's overall performance, the EVA Unit's overall performance and the Participant's individual performance and shall be determined by the Committee, in its sole discretion.
- (iii) No Award will be granted if a Participant's individual performance is unsatisfactory, as determined by the Committee in its sole discretion, upon the advice of the CEO.
- (d) **Form and Time of Payment of EVA Award.** The form of payment shall be in stock or cash at the sole discretion of the Committee. The amounts paid under an Award shall be paid to the Participant less applicable federal, state, local income and employment taxes, during the Payment Cycle after the date on which the Award has been approved by Committee (but in no event later than March 15th of the year following the year in which the Award is earned). If the Award is paid in stock, then sufficient shares shall be withheld to meet withholding obligations unless other arrangements have been made by the Participant. The shares to be delivered in payment (including any Deferred Award Payments as provided below) shall be valued at the average price for the five (5) trading days prior to the date of payment to the Participant.
- (i) The Committee shall have the authority to approve, reduce or eliminate any potential EVA Award and portions thereof. The Payment Cycle shall commence on the date that an EVA Award is approved by the Committee and shall extend for twenty-four (24) months after the end of the Performance Period.

- (ii) As provided in the LTIPA for the EVA Award, the Committee shall determine in its discretion what portion, if any, of one-half of the potential EVA Award shall be paid initially to a Participant (“Initial Award Payment”). The amount of the Initial Award Payment to be paid shall be paid as soon as administratively practicable after approval by the Committee of the EVA Award (but in no event later than March 15th of the year following the year in which the EVA Award is earned).
- (iii) The Committee shall determine in its discretion what portion of the remaining half of the potential EVA Award shall be paid to a Participant (“Deferred Award Payment”). Except as otherwise provided in the LTIPA for the EVA Award (as determined by the Committee in its sole discretion), Deferred Award Payments shall not be vested or earned until the conditions for payment set forth below or in the LTIPA for the EVA Award under which the Deferred Award Payment would be paid. The amount of the Deferred Award Payment that may be paid to the Participant shall be subject to the following forfeiture provisions in this Section 11(d)(iii):
 - (1) One-half of the approved Deferred Award Payment shall be paid twelve (12) months after the end of the Performance Period and one-half of the approved Deferred Award Payment shall be paid twenty-four (24) months after the end of the Performance Period subject to the following forfeiture provisions.
 - (2) As provided in the Participant’s LTIPA for the EVA Award, (A) failure of the EVA Unit to achieve the same level of the Target Goal as was obtained during the Performance Period in the twelve (12) months following the Performance Period will result in forfeiture of one-half of the Deferred Award Payment, and (B) failure of the EVA Unit to achieve the Target Goal in the twelve (12) months beginning twelve (12) months after the ending of the Performance Period and ending twenty-four (24) months after the end of the Performance Period will result in the forfeiture of one-half of the Deferred Award Payment. Payment of a portion of the Deferred Award Payment, if applicable, shall be made as soon as administratively practicable following the end of the applicable twelve (12) month period (but in no event later than March 15th of the year following the year in which the applicable twelve (12) month period ends).
 - (3) Among other conditions to be included in a Participant’s LTIPA, the Committee may require a Participant who is eligible to receive a Deferred Award Payment to remain in employment with the Company or its subsidiary through the payment date as a condition for such payment.

(e) **Disability, Death and Other Terminations**

- (i) In the event of the termination of a Participant's employment due to his or her Disability or death, such Participant (or the Participant's probate estate, in the event of his or her death) may receive payment of an EVA Award, consistent with the terms of the Plan, subject to the terms of the LTIPA for the EVA Award and at the sole discretion of the Committee. Any such Award shall be determined and paid in accordance with the regular procedures of the Plan.
- (ii) In the event of the Participant's death, should an EVA Award be approved under Section 11(e)(i), such EVA Award shall be paid in cash or stock, less applicable federal, state, and local income and employment taxes, on the normal EVA Award payout date and subject to the terms of forfeiture, to the Participant's estate, or to the person or persons who have acquired, by will or by the laws of descent and distribution or by other legal proceedings, the right to such Award, in the determination and discretion of the Committee.
- (iii) In the event of the termination of a Participant's employment for reasons other than his or her Disability or death, such Participant's right to receive an EVA Award, if any, shall be determined by the following terms in this Section 11(e)(iii):
 - (1) If the Participant's employment is terminated during the Performance Period for the EVA Award, then the Participant shall not be eligible to any payment under the EVA Award.
 - (2) If the Participant's employment is terminated following the Performance Period for the EVA Award and the Committee has approved the payment of the EVA Award to the Participant, then the EVA Award shall be paid to the Participant subject to the conditions for the payment of the EVA Award (including the achievement of the Company's Target Goals during the two 12-month periods following the Performance Period required for the payment of the Deferred Award Payments set forth in Section 11(d)). Any payment made pursuant to this Subsection shall be made no later than March 15th of the year following the year in which the EVA Award or Deferred Award Payment is no longer subject to a substantial risk of forfeiture.
- (f) **No Reallocation of EVA Awards.** In no event may the portion of the potential EVA Award allocated to a Participant be increased in any way, including as a result of the reduction of any other Participant's allocated portion.

12. **CASH BONUS AWARDS**

The Committee may designate the employees of the Company who are eligible to receive a cash bonus payment in any calendar year based on an incentive pool to be determined by the Committee. The Committee shall allocate an incentive pool percentage to each designated Participant for each calendar year.

As soon as possible after the determination of the incentive pool for a calendar year, the Committee shall calculate the Participant's allocated portion of the incentive pool based upon the percentage established at the beginning of the calendar year. The Participant's incentive award then shall be determined by the Committee based on the Participant's allocated portion of the incentive pool subject to adjustment in the sole discretion of the Committee. Unless otherwise specified by the Committee in writing in compliance with Code Section 409A, incentive awards shall be paid no later than March 15th of the year following the year in which the incentive award is earned. In no event may the portion of the incentive pool allocated to a Participant be increased in any way, including as a result of the reduction of any other Participant's allocated portion.

13. **OTHER STOCK OR CASH AWARDS**

In addition to the incentives described in Sections 6 through 12 above, the Committee may grant other incentives payable in cash or in Common Stock under the Plan as it determines to be in the best interests of the Company and subject to such other terms and conditions as it deems appropriate.

14. **PERFORMANCE GOALS**

Except as provided with respect to EVA Awards, cash bonus Awards and awards of Restricted Stock, Restricted Stock Units, Performance Stock, Performance Units and other incentives under the Plan may be made subject to the attainment of performance goals relating to any one or more business criteria within the meaning of Code Section 162(m), including, but not limited to, cash flow; cost; ratio of debt to debt plus equity; profit before tax; economic profit; earnings before interest and taxes; earnings before interest, taxes, depreciation and amortization; earnings per share; operating earnings; economic value added; ratio of operating earnings to capital spending; free cash flow; net profit; net sales; sales growth; price of the Company's Common Stock; return on net assets, equity or stockholders' equity; market share; or total return to stockholders ("Performance Criteria"). Any one or more Performance Criteria may be used to measure the performance of the Company as a whole or any business unit of the Company and may be measured relative to a peer group or index.

Any Performance Criteria may include or exclude Special Items. Special Items shall include (i) extraordinary, unusual and/or non-recurring items of gain or loss, (ii) gains or losses on the disposition of a business, (iii) changes in tax or accounting regulations or laws, or (iv) the effect of a merger or acquisition, as identified in the Company's quarterly and annual earnings releases. In all other respects, Performance Criteria shall be calculated in accordance with the Company's financial statements, generally accepted accounting principles, or under a methodology established by the Committee prior to the issuance of an award that is consistently applied and identified in the audited financial statements, including footnotes, or the Management Discussion and Analysis section of the Company's annual report.

With respect to Awards subject to Performance Criteria, the Committee shall have the authority to reduce the payouts on such Awards and shall have the authority to limit or waive the actual performance-based vesting of such Awards in its sole discretion.

15. **DEFERRAL OF PAYMENT ON AWARDS**

Subject to the provisions of Code Section 409A and any regulatory guidance promulgated thereunder, a Participant and the Company may enter into an agreement under which the payment of amounts payable under a vested Award shall be deferred on terms and conditions to be established by the Participant and the Company.

16. **ADJUSTMENT PROVISIONS**

- (a) If the Company shall at any time change the number of issued shares of Common Stock by stock dividend, stock split, spin-off, split-off, spin-out, recapitalization, merger, consolidation, reorganization, combination, or exchange of shares, the total number of shares reserved for issuance under the Plan, the maximum number of shares that may be made subject to an Award or all Awards in any calendar year, and the number of shares covered by each outstanding Award and the price therefor, if any, shall be equitably adjusted by the Committee, in its sole discretion.
- (b) In the event of any merger, consolidation or reorganization of the Company with or into another corporation that results in the outstanding Common Stock of the Company being converted into or exchanged for different securities, cash or other property, or any combination thereof, the Company shall have the authority to provide in the controlling agreement for such transaction (i) that there shall be substituted, as determined by the Committee in its discretion, for each share of Common Stock then subject to an Award granted under the Plan, the number and kind of shares of stock, other securities, cash or other property to which holders of Common Stock of the Company will be entitled pursuant to the transaction, (ii) that the acquiring or surviving corporation in the transaction shall assume the outstanding Awards under the Plan (which may be exercisable into the securities of the acquiring or surviving corporation), (iii) that all unexercised Awards shall terminate immediately prior to such transaction unless exercised prior to the closing of the transaction, or (iv) a combination of the foregoing.

17. **SUBSTITUTION AND ASSUMPTION OF AWARDS**

Without affecting the number of shares reserved or available hereunder, the Board or the Committee may authorize the issuance of Awards under the Plan in connection with the assumption of, or substitution for, outstanding Awards previously granted to individuals who become employees of the Company as a result of any merger, consolidation, acquisition of property or stock, or reorganization other than a Change in Control, upon such terms and conditions as the Committee may deem appropriate.

18. **TRANSFERABILITY**

Each Award granted under the Plan shall not be transferable otherwise than by will or the laws of descent and distribution and each Stock Option and SAR shall be exercisable during the Participant's lifetime only by the Participant or, in the event of Disability, by the Participant's personal representative. In the event of the death of a Participant, exercise of any Award or payment with respect to any Award shall be made only by or to the executor or administrator of the estate of the deceased Participant or the person or persons to whom the deceased Participant's rights under the Award shall pass by will or the laws of descent and distribution.

19. **TAXES**

The Company shall be entitled to withhold the amount of any tax attributable to any amounts payable or shares deliverable under the Plan, after giving the person entitled to receive such payment or delivery notice and the Company may defer making payment or delivery as to any award, if any such tax is payable until indemnified to its satisfaction. A Participant may pay all or a portion of any required withholding taxes arising in connection with the exercise of a Stock Option or SAR or the receipt or vesting of shares hereunder by electing to have the Company withhold shares of Common Stock, having a fair market value equal to the amount required to be withheld.

20. **OTHER PROVISIONS**

- (a) The grant of any Award under the Plan may also be subject to other provisions (whether or not applicable to the Award awarded to any other Participant) as the Committee determines appropriate, including provisions intended to comply with federal or state securities laws and stock exchange requirements, understandings or conditions as to the Participant's employment or other service, requirements or inducements for continued ownership of Common Stock after exercise or vesting of Awards, forfeiture of awards in the event of termination of employment or other service shortly after exercise or vesting, or breach of non-solicitation, non-disparagement, non-competition or confidentiality agreements following termination of employment or other service, or provisions permitting the deferral of the receipt of a Award for such period and upon such terms as the Committee shall determine.
- (b) In the event any Award under the Plan is granted to an employee, member of the Board, or adviser who is employed or providing services outside the United States and who is not compensated from a payroll maintained in the United States, the Committee may, in its sole discretion, modify the provisions of the Plan or adopt appendices and/or sub-plans as they pertain to such individuals as may be necessary or desirable to comply with applicable law, regulation or accounting rules to assure the viability of the benefits from Awards granted to such individuals and to meet the objective of the Plan.
- (c) The Committee, in its sole discretion, may permit or require a Participant to have amounts or shares of Common Stock that otherwise would be paid or delivered to the Participant as a result of the exercise or settlement of an award under the Plan credited to a deferred compensation or stock unit account established for the Participant by the Committee on the Company's books of account.
- (d) As a condition for the receipt of stock Awards under the Plan, a Participant shall agree to be bound by the employment policies of the Company (or other applicable policies) pertaining to the securities of the Company, including, but not limited to, the insider trading restrictions of the Company.

21. **NO RESERVE OR TRUST**

Nothing contained in the Plan shall require the Company to segregate any monies from its general funds, or to create any trust or make any special deposit in respect of any amounts payable under the Plan to or for any Participant or group of Participants. All amounts payable under the Plan shall be paid out of the general funds of the Company.

22. **NO RIGHT TO ASSIGN**

No right or interest of any Participant in the Plan or in any unpaid Award shall be assignable or transferable in whole or in part, either voluntarily or by operation of law or otherwise, or be subject to payment of debts of any Participant by execution, levy, garnishment, attachment, pledge, bankruptcy or in any other manner.

23. **NO EMPLOYMENT OR SIMILAR RIGHTS CONFERRED**

Nothing contained in the Plan or any Award shall confer upon any employee, director or adviser any right with respect to continuation of employment or other service with the Company in any capacity or interfere in any way with the right of the Company to terminate an employee's employment or a director's or adviser's service at any time or guarantee any right of participation in any other employee benefit or compensation plan of the Company.

24. **SUCCESSORS AND MERGERS, CONSOLIDATIONS OR CHANGE IN CONTROL**

The terms and conditions of the Plan shall inure to the benefit of and bind the Company, the Participants, their successors, assignees, and personal representatives. If a Change of Control occurs, then the Plan shall immediately terminate.

Except as otherwise provided in an LTIPA, upon a Change in Control of the Company, the Committee, in its sole discretion, may (but shall not be required to) make all outstanding Stock Options and SARs fully vested and exercisable, all restrictions on Restricted Stock and Restricted Stock Units terminated, all performance goals deemed achieved at target levels and all other terms and conditions met, and deliver all Performance Stock, and pay out all Performance Units and Restricted Stock Units.

The Committee shall in its sole discretion determine the status of achievement of a particular Target Goal and shall specify an Adjusted Basic Award based upon its determination of achievement of the performance goals under the Awards as of the Change in Control ("Change in Control Award"). A Change in Control Award shall be modified as outlined below and shall be paid 30 days after the consummation of the Change in Control. Any Deferred Award payments outstanding upon a Change in Control shall be paid within 30 days after the Change in Control.

In the event of a Change in Control, all EVA Awards or cash Awards shall be paid on a pro-rated basis (as determined by the Committee) based on the portion of the Performance Goals achieved under the EVA Awards or cash Awards as of the date of the Change in Control, subject to the discretion of the Committee to reduce the EVA Awards. Pro-rated EVA Awards or cash Awards shall be paid within 30 days after the Change in Control.

25. **GOVERNING STATE LAW AND COMPLIANCE WITH SECURITIES LAWS**

- (a) The Plan and any actions taken in connection herewith shall be governed by and construed in accordance with the laws of the state of Nevada (without regard to applicable Nevada principles of conflict of laws).

- (b) The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Stock Awards and to issue and sell shares of Common Stock upon exercise of the Stock Awards; provided, however, that this undertaking shall not require the Company to register under the Securities Act the Plan, any stock Award or any Common Stock issued or issuable pursuant to any such stock Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company deems necessary for the lawful issuance and sale of Common Stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell Common Stock upon exercise of such stock Awards unless and until such authority is obtained.

26. **DURATION, AMENDMENT AND TERMINATION**

The Board or the Committee may amend, suspend, terminate or reinstate the Plan from time to time or terminate the Plan at any time. However, no such action shall reduce the amount of any existing Award (subject to the reservation of the authority of the Committee to reduce payments on Awards) or change the terms and conditions thereof without the Participant's consent. No amendment of the Plan shall be made without stockholder approval to the extent stockholder approval is expressly required under applicable rules and regulations of the Securities and Exchange Commission, the applicable rules of a stock exchange on which the securities of the Company are traded as may be established pursuant to its rule-making authority of such stock exchange, and the rules and regulations of the Internal Revenue Service for plans intended to qualify for the performance-based exemption under Code Section 162(m).

Neither the Board nor the Committee may cancel an Award once the Award has been granted by the Committee, including any Deferred Award Payments. Each year on the anniversary of the LTIPAs, the CEO shall present to the Committee any recommendations for changes in the Plan or in the LTIPAs previously approved by the Committee (subject to the restrictions on the grant of authority to the Committee in Section 3).

27. **SHORT-TERM DEFERRAL; DEFERRED COMPENSATION**

- (a) **Short-Term Deferral.** To the extent an Award constitutes nonqualified deferred compensation subject to Code Section 409A and it has not been designed to comply with Code Section 409A, in order to be exempt from Code Section 409A pursuant to Treasury Regulation Section 1.409A-1(b)(4), payment of the Award shall be made no later than the later of (i) the date that is 2 1/2 months from the end of the Participant's first taxable year in which the amount is no longer subject to a substantial risk of forfeiture, or (ii) the date that is 2 1/2 months from the end of the Company's first taxable year in which the amount is no longer subject to a substantial risk of forfeiture.
- (b) **Deferred Compensation.** Notwithstanding any provision in the Plan or any LTIPA to the contrary, to the extent an Award (i) constitutes "deferred compensation" within the meaning of Code Section 409A, (ii) is not exempt from the application of Code Section 409A and (iii) is payable to a specified employee (as determined in accordance with Code Section 409A(a)(2)(B) and applicable regulations) due to separation from service (as such term is defined under Code Section 409A), payment shall be delayed for a minimum of six (6) months from the date of such separation from service.

If any Award granted under the Plan is considered deferred compensation as defined under Code Section 409A, and if the Plan or the terms of an Award fail to meet the requirements of Code Section 409A with respect to such Award, then such Award shall remain in effect and be subject to taxation in accordance with Code Section 409A. In this circumstance, the Committee may accelerate distribution or settlement of an Award in accordance with Code Section 409A. The Company shall have no liability for any tax imposed on a Participant under Code Section 409A, and if any tax is imposed on a Participant, the Participant shall have no recourse against the Company for payment of any such tax. Notwithstanding the foregoing, if any modification of an Award causes the Award to be deferred compensation under Code Section 409A, the Committee may rescind such modification in accordance with Code Section 409A.

28. **SECTION 162(m)**

The Plan is designed and intended, and all provisions shall be construed in a manner, to comply, to the extent applicable, with Code Section 162(m) and the regulations thereunder. To the extent permitted by Code Section 162(m), the Committee shall have sole discretion to reduce, eliminate or defer payment of the amount of any Award which might otherwise become payable upon meeting Performance Criteria.

29. **SEVERABILITY**

If any provision of the Plan is held to be invalid or unenforceable, the other provisions of the Plan shall not be affected.

30. **EFFECTIVE DATE AND TERM OF THE PLAN**

The Plan was adopted by the Board of Directors on September 25, 2009, subject to stockholder approval. The Plan shall continue for a term of ten (10) years from the date of its adoption. On March 28, 2010, the Plan was revised to increase the number of available shares to 1,500,000 shares. The Plan and any Awards granted thereunder shall be null and void if stockholder approval is not obtained at the next annual meeting of stockholders.
